

Puffin Signposts 8

The world around you

Find a small bag or a few socks. Get an adult to put some different things inside for you to feel and guess.

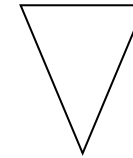

Write a list of what you think they are if you like.

Spring time

Draw some simple triangular carrot outlines (chalks outside/on paper)

Decorate these with patterns or use them as a shape to write the names of your family.

PHONICS

Make a treasure hunt with clues. Eg I am on the shed. (either get the children to write the clues or use it as a reading challenge) Put words using phase 2 or 3 phonic patterns on cards in the places the clues are sending you to. Can someone play your game with you?

Maths - Number splat

You need- a dice, number cards 1-12, wooden spoon

1. Cut the number cards out and place on the carpet.
2. Roll the dice two times and add the numbers together. Can you see the total on your number cards?
3. Splat the number they made as a total with your wooden spoon!
4. Turn the splatted number over.
5. If you want to play with someone else you could win the card rather than turning it over.

Reading Corner

Choose a book from home. Would you like to share it with us? Record a video or send a photo of the front cover and why you like that one especially.

Get Creative

If you haven't already, make a rainbow to go in a window in your house- paint, draw, collage. When people are on a walk they can spot them.

Let's still have a Puffin Cake Sale day. Make a cake/biscuits, or decorate a biscuit and enjoy a start of the weekend treat. *Playdough recipe on Puffin Class Page if you'd like it instead of cooking.*

Friday is PE day. Have you completed Jo Wicks daily PE session? What about Andy's Wild Workouts on CBeebies?

Parents, please upload a photograph of your work, or comments, to Tapestry for Mrs Franks and Mrs Samways to assess. Thank you.
