<p>Ongoing throughout the year</p>	<p><b>Nature Detectives - an approach to education that embraces the outdoors as a learning environment. It is about children experiencing regular, weekly sessions in Melwood. Children follow the usual curriculum but in an outdoor context, using learning and teaching strategies which raise self-esteem, develop confidence, independence and language and communication skills. During sessions children learn to assess and manage risks and develop lifelong learning skills. Nature Detectives sessions have physical, social and health benefits; helping young people to enjoy physical activity outdoors in increasingly sedentary lives.</b></p> <p><b>All topics incorporate the seven areas of learning as outlines in the EYFS framework. Communication and Language, Physical development, Personal, Social and Emotional Development Literacy, Mathematics, Understanding the World, Expressive Arts and Design</b></p>
