

There are four year groups in Key Stage 2 and three mixed age classes: Swallow Class (year 3 and 4), Chaffinch Class (Year 4 and 5) and Woodpecker Class (Year 5 and 6). All children will spend two years in one of these classes.

In order to minimise repetition of coverage of curriculum content, we have arranged our main termly topics as shared topics for the whole key stage. This also enables us to prepare shared themed events and visits across the key stage.

Science Themes	Autumn	Spring	Summer
2014-15	Magnets & Forces States of matter	Earth in Space & Rocks	Plants & Animal Life cycles Light & Sound
2015-16	Resistance and Mechanical Forces (Y5/6) Simple Forces (Y3) Electricity	Inheritance and Evolution; Classification Animals Including the Human Body	Famous Scientists Habitats
2016-17	Earth In Space States of Matter	Light and Sound Magnets and Forces	Rocks and Evolution Plants (Y3) Life Cycles of Plants and Animals
2017-18	Gravity, Resistance and Mechanical Forces (Y5/6); Simple Forces (Y3) Electricity	Famous Scientists Inheritance and Evolution; Classification	Animals Including Human body Habitats
