- Wednesday 19th Meet the Teacher
- Friday 21st Leavers Assembly 9am
- Friday 21st End of Summer Term

September

- Monday 4th staff training School closed
- Tuesday 5th Autumn term begins
- Thursday 21st Life Education Bus

As a school, we take a whole-school approach to maintaining excellent attendance and it is the joint responsibility of parents, pupils, and all staff members to ensure that children are attending school as they should be.

This year's targets were set at 96% **a target that we did not meet**. With your continued support in this area, we are sure that we will improve on this year's figures next year.

We are now able to share our teaching structure for September 2017. We are saying farewell to Mrs Fallon and Mrs Morris and welcoming back Mrs Franks and Miss Haigh to Robin class. Again this year all children in Swallow, Chaffinch and Woodpecker classes will be taught in year group classes for Maths sessions after break with myself and Mrs Pemberton teaching our Year 4 pupils.

Year	Class name	Class teacher
Early Years	Robin	Mrs Franks and Miss Haigh
1	Jay	Miss Cole
2	Kingfisher	Mrs Millington and Mrs Thomas
3/4	Swallow	Miss McGinty
4/5	Chaffinch	Mr Jones and Mrs Pemberton
5/6	Woodpecker	Mrs Willan

Children will be spending some time in their new classrooms with their new teachers on our transition morning, next Wednesday followed by a picnic on the field with new class teachers and friends for our Seaside Lunch. Please do drop in to classrooms from 3.10pm on Wednesday to meet new teachers and see where your child will be taught next year.

Thank you all for your many kind wishes written on report return slips this year so far. Please remember that we do need to have these returned as confirmation that you have received your report. We have certainly had pleasure in sharing your children this year and in nurturing your child's achievements. Year 6 parents, I am sure that we will see you at the **Year 6 Leavers assembly** at 9.15am next Friday.

Animal Agents

This year's Summer Reading Challenge is called 'Animal Agents'. Children are encouraged to visit their local libraries and sign up to the challenge, which encourages them to read a minimum of six books over the Summer Holidays. Everyone who joins will receive a leaflet to track their progress, stickers and various other 'goodies' along the way. DO get down to your local library and sign up for a great summer of reading.

Visit <http://summerreadingchallenge.org.uk/> for information.
