

Parents Survey 2014-15

Tremendous thanks to all parents who filled in the survey; we very much appreciate the time that you spent completing it and value all your views and feedback. We are very pleased with the high level of confidence you feel in all aspects of the school.

Thank you also to those of you who included additional comments or suggestions. These have been noted for further discussion, as we want to continue improving, and will seek to address areas where a concern has been raised.

In the meantime, thank you for your support and partnership in our shared aim of giving your child a safe, happy and effective education.

Parents believe that for Meldreth to be even better still, it should continue to invest in excellent and inspirational teaching and assessment and encourage better communication between parents and staff. These would make an already good school even better.

You said *"The weekly newsletters are great but I would like more communication re dates/activities"*

This is important to us too, therefore we are sending more email reminders to parents and investigating using a more effective communication platform including looking at the way in which we set appointments for parents consultations.

You said *"In some year groups children make more progress than others"*

Our monitoring has also identified this, we have new systems this year which allow us to identify where support is needed sooner and have updated our feedback and marking policy so that all children know how to make good progress in each lesson. Our leadership team and Governors are monitoring these systems.

Your Comments

"My child loves school and is also happy to go back after breaks"

"There is a good nurturing environment at the school"

"My child comes out of school everyday with a huge smile on her face."

"Having superb enthusiastic teachers is the reason for our child's good progress."

"Friendly, happy school with a great community feel. Keep up the good work!"
