House Points

Elm - 663 Beech - 724

Oak - 896 Ash - 1109

**Ash house are still in the lead
...keep it up!**

Home Learner of the Week

Chaffinch class...for wonderful Roman projects this half term

The children will be bringing home their **end of year reports** this afternoon and I hope you are looking forward to reading about their successes this year. It has been such a delight to see each of them grow and develop over the year and to reflect on how well-prepared and ready they are to move on to their next year group (or school) in September.

At Meldreth Primary, our teachers offer a **broad and balanced creative curriculum** which is underpinned by transferrable skills that the children develop over the year through our carefully-designed programmes of study. I am always pleased to see that in addition to these skills and knowledge that the children have acquired over the year that they have also been developing their empathy, tolerance, communication, perseverance, kindness and respect for others.

I am sure you will take pleasure in sharing and celebrating your child's achievements together and I hope that you have valued the opportunities to visit classrooms this year for open morning 'Stay and Play' sessions in which the children have had a chance to share their work and triumphs with you. From feedback we have received this year we hope to increase these opportunities next year.

It is encouraging for the children when they see how much their parents and families take an active interest in their work and learning and it re-enforces the view that **school and home work in partnership together** to ensure that children achieve to their full potential. Thank you all for your support in this over the year.

Congratulations to our **Year 3 and 4 tennis stars** who showed their great Olympic Values during a tournament played against Guilden Morden this week. The budding stars played 4 superb Wimbledon style matches and finished **overall Champions** ... Bravo all!

Farewell to Year 6

We have a few events taking place as we begin to say goodbye and good luck to our Year 6 pupils. On Wednesday 22nd there will be a fantastic traditional **leavers' barbecue** for the Year 6 staff and children after school until 5.30pm. This is a lovely fun event and we are all very much looking forward to it. Also during the morning we be will holding our **leavers' assembly** at 9.15am after which parents can join year six in a spot the baby competition. We hope you will be able to join us.

Lookout Club Fees and Lunch Money

Thank you to all those who have paid your **Lookout Club fees** and are up to date with **dinner money**. If you have any outstanding monies or booking forms for the autumn term please hand them in to the office or post them in the office letterbox as soon as possible. If you need any more information please do speak to the ladies in the office or Lookout club. Thank you very much.

A 5 Star Kitchen!

Congratulations to Mrs Smith and Mrs Short in our school kitchen who, following a visit from the Environmental Health Department, have yet again been awarded **5 stars!!!** We are very proud of this achievement, and think that it reflects all of the hard work that the staff in the kitchen put into making sure that our catering environment is clean, safe and hygienic.
