Writers of the Week

Well done to:

All Year 1 for their superb writing progress this year.

An Evening Out?

There are still lots of events to look forward to - **Year 4, 5 & 6** are busily rehearsing for their fantastic summer production '**What a Knight**' with performances planned for the children in school and evening performances on Tuesday 17th and Wednesday 18th evenings. **Please place your ticket orders via email or at the office.** Money raised from donations after the performances goes towards the funding of the productions as they can be quite costly.

We are now able to share our teaching structure for September 2018. We are saying farewell to **Mrs Willan** (Woodpecker class teacher), **Mrs Pavlitski** (Our Owls club Lead and Swallow class HLTA) and **Mrs Walker** (Robin class TA) and welcoming **Miss Jackson**, **Miss Hill** and **Miss Whitton**. Next year in anticipation of our building works all children will be taught in year group classes, although not quite in their new classrooms yet! There are changes too in our school office as **Mrs Robinson** will be sharing her front of house role with **Mrs Helme**.

Year	Class name	Class teacher	In the old...
Early Years	Puffin	Miss Haigh & Mrs Samways	Woodpecker classroom
1	Swift	Mrs Ward and Miss Jackson	Robin classroom
2	Wren	Miss Cole	Jay classroom
3	Osprey	Miss McGinty	Kingfisher classroom
4	Kite	Miss Whitton	Chaffinch classroom
5	Kestrel	Mr Jones & Mrs Pemberton	Owls/Lookout room
6	Hawk	Miss Hill	Swallow classroom

To summarise, all existing **Robin, Jay and Kingfisher class** children will be taught in their same classroom next year. And **Years 3, 4, and 5** will be in temporary classrooms until their new classrooms are completed in October. We have changed our class names to avoid any confusion.

Children will be spending some time in their new classrooms with their new teachers on our transition morning, next Thursday followed by a picnic on the field with new class teachers and friends for our Seaside Lunch. By September though all classrooms will look very different due to works in all classrooms over the summer as part of the building development of the school.

I'm sure that no-one has guessed yet but **Miss Haigh is expecting a baby in October** and will be leaving us to begin her busier job of being a Mum to 3 children! I'm sure that you will join me in wishing her all the best wishes for a happy and healthy pregnancy! Mrs Franks will be returning to Puffin class in October with Mrs Samways.

The Little Walk for Good

Please join **Sienna Z** on her one mile walk next Sunday. If your family would like to join her you can collect a sponsorship form and further details of this worthy cause from our school office. [Click here to find out more.](#) Well done Sienna!

Your PTA

The PTA always looks to welcome new members to the committee and if you feel this is something you would like to find out more about, why not come along to our AGM in September? We're a friendly bunch and regularly enjoy informal meetings at The British Queen, with flexible dates and start times to suit all.

The PTA works to run and support events throughout the school year, developing sense of community amongst families and raising vital funds for resources which benefit all our children including classroom equipment (decided by teachers), book bags for every new pupil and autograph books for leavers. Most recently, pupils enjoyed refreshing ice lollies at the end of Sports Day and it has been great to see pupils enjoying their swimming lessons in the school pool during this warmer weather, all of which the PTA funds have contributed to. We look forward to investing in our garden area once the building work is complete, to include tree labels to develop pupil's curiosity in the world around them.

Successful events the PTA has organised over the past year include the school discos, Decoration Day and Quiz Night. The success of these events is of course only possible with the support of our attending families so may we take this opportunity to extend our heartfelt thanks to you all. Have a wonderful summer break.

Reports Come Home Today!

We hope that you spend time with your child discussing their reports which have been sent home today. Thank you all in advance for returning report return slips as promptly as possible. Please remember that we do need to have these returned as confirmation that you have received your report. We have certainly had pleasure in sharing your children this year and in nurturing your child's achievements. Year 6 parents, I am sure that we will see you at the **Year 6 Leavers assembly** at 9.15am on Tuesday 24th.

Our Attendance Target is 96% ... September to June 95.4%
