Home Learner of the Week

**Ty W-B and Ruby H for wonderful
writing in Science this week**

We had a delightful end to last week with a very sunny Sports Day. Thank you to all those who helped out and a big well done to all of the children who took part. A selection of photographs will be appearing on the website soon. This has been followed by a jam packed week, this week, of Year 6 visits to college and wonderful performances of Ali Baba and the Bongo Bandits.

The Chaffinch and Kingfisher class performance of Ali Baba and the Bongo Bandits was outstanding! They told the story of how the evil Vizier and the Bongo Bandits stole precious gems from the Sultan and kidnapped poor Princess Satsuma! Luckily, Ali Baba, Flossy and the Genie came to save the day! A huge congratulation to the pupils and staff for putting together an amazing concert! Well done!

The suntan lotion is packed and excitement is mounting as Y6 prepare to leave early on Monday morning (Remember be in school at 6.30 a.m. Y6!) for a fabulous week in Scarborough. We all hope that you have a lovely time!

We are now able to share our teaching structure for September 2015, along with news of our new teaching staff. Mrs Thomas will be our new KS1 team leader whilst Mrs Samways is on maternity leave, and will be working with Mrs Franks and Miss Haigh in Robin class and Miss Cole in Jay class.

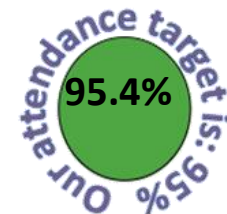

Mr Jones is moving to Chaffinch class with Mrs Millington who returns after her maternity leave. They will be working with Mrs Willan in Woodpecker class and Mrs Copsey and Mrs Pemberton in Swallow class.

Year	Class name	Class teacher
Early Years	Robin	Mrs Franks and Miss Haigh
1	Jay	Miss Cole
2	Kingfisher	Mrs Thomas
3/4	Swallow	Mrs Copsey and Mrs Pemberton
4/5	Chaffinch	Mr Jones and Mrs Millington
5/6	Woodpecker	Mrs Willan

Children will spend some time in their new classrooms with their new teachers on our transition day, Friday 17th July.

The MindEd Trust

Many of you will be aware of the tragic death of Edward Mallen, a former pupil of the school earlier this year. The impact of Edward's death has been widely felt in school, in the village and beyond and I know that many will be interested in a new charity, The MindEd Trust that Edward's family has set up in his memory. Do find a moment to read the attached overview of the aims of the trust, from which I quote:

Too many young people are experiencing mental ill health and falling into crisis with terrible consequences for themselves, their families, friends and communities. The MindEd Trust will support mental health training, resilience, awareness and treatment programmes in schools, colleges and universities.

In addition you may feel that this is a cause that you would like to donate to, which you can do using this link; <https://crowdfunding.justgiving.com/themindedtrust>

Running Club Award

A very big thank you to Melissa Taylor who very kindly presented every member of the Running Club with a medal at the last meeting of the school year on Monday. The children have thoroughly enjoyed this club and have seen their times and fitness improve over the year.

Two of our running club members, Ben O and Eddie C from Kingfisher class completed the "Royston in Blue" 5km run. They tell us they completed it without even stopping. Well done – we are very proud of you!
