Roaring runners this week – **Eva R, Toby D-S and Esther B**

Home Learner of the Week

Ben O for your creative life cycle!

A huge well done to those families who spent Saturday night sleeping in the school field. The children had a lovely time after school, swimming and playing many other games outside. I hear there was an amazing barbecue, and all children settled down in their sleeping bags for the evening. A big thank you to all the PTA who stayed or helped on the night as it could not have happened without them!

This week has been National Sports Week so we have had plenty going on. Sport's Day is happening on Friday and we are hoping the weather holds up! Key Stage 1 and Early Years events are held in the morning from 10.15am and the older children's events are in the afternoon from 1.15pm. Parents are welcome to bring chairs and cameras to watch the events on the school field. It is our school's policy is to allow parents to take images of their children during school activities as we know that the safe use of images can be a valuable record of your child's achievements. We ask that those parents wishing to take photos at our events ensure that all images taken will be for personal use only, will be kept securely and be used appropriately.
