

THE BIG BLUE

This half term, Wren Class are heading on a nautical journey. We will look at the five oceans of the world and different coastal habitats.

English: The children will explore at adventure stories and create their own. We will also write explanations and look at performance in poetry.

Maths: Wren class will work on fractions and time. We will continue to recall our number facts including multiplication and division.

Science: This half term, we will continue to look at living things and their habitats. We will focus on our impact on habitats and discuss environmental issues.

PSHCE: Our PSHCE focus will be financial capability.

Geography: We will recap the seven continents and five oceans. The children will then discuss environmental change.

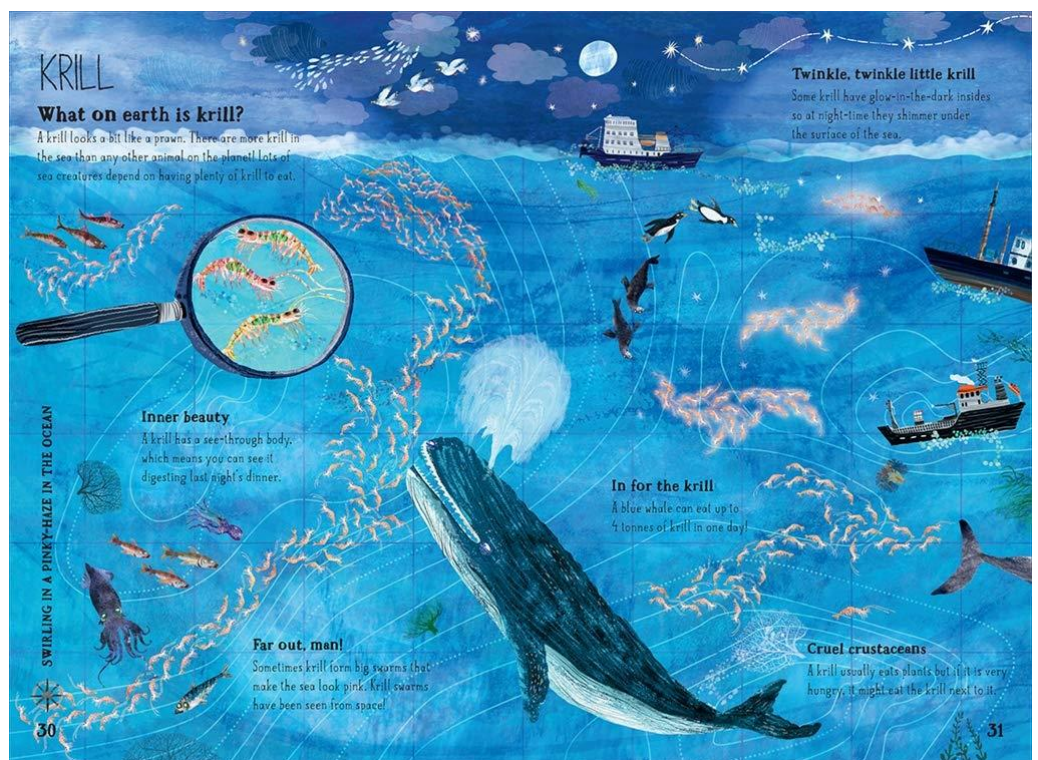

Art: Sculpture – paper

DT: Upcycling

RE: What do Christians and Hindus think of God?

Computing: Creating pictures

PE: Athletics and striking

Mrs Hardwick will take the class on Thursday afternoon. Our music focus will be the Friendship Song from Charanga and in history, the class will look at significant people and their impact. We will look at Eugenie Clark, David Attenborough and Greta Thunberg.
