Year 4 Grafham Challenges

We hope that you all had a lovely extended and warm half term. We know some parents managed to get some good day out deals out of the usual half term time price hike, well done! We have planned [our term dates](#) in a similar pattern for next year too. Please make use of the opportunity of a cheaper family holiday. We can't, however guarantee such lovely weather.

Earlier this week, Year 4 had a wonderful time at Grafham Water Centre – [take a look here!](#) The children took part in some fantastic activities, such as windsurfing, mountain biking, paddle boarding and the Jacob's ladder. They all had such an amazing time at Grafham, the growth in confidence and self-esteem seen in each and every pupil is something, we know, will further aid their progress in the classroom.

We would like to **thank you for ensuring that your child is in school uniform each day** and that you are keen to demonstrate to them the importance of education by following school policy. Your support is very much valued. We believe that having the correct uniform and PE kit is key to building pride in appearance, promoting a school community and reflects our school ethos of inclusion. We therefore ask that you **check that your child's uniform especially footwear and PE kit follow [our requirements](#)**. If you have difficulties for any reason with fulfilling this request, please speak confidentially to a senior member of staff to discuss the issues.

Statutory Assessments

Parents of **Year 1 and 4 pupils** - please find additional advice on our website from the DfE about assessments **taking place next week** for your child.

Our Pupils spend an average of 1.5 hours outside per day, more if involved in sports or outdoor activities. We are sun-safe and **promote children wearing sun-hats, either broad-brimmed (bucket style) or legionnaire to shade the face, neck, ears and cheeks**, seeking shade and covering up in hot weather. As 'role-models' to our youngest children we always lead by example.

We ask that parents apply their own preferred sun-cream before children arrive at school each day. Please ensure that it is a suitable SPF, (50+) and in-date. Children may bring their own **named** sun-cream to school and apply it themselves; we find that most children are able, with some direction, to do this independently. Find out more about [our accreditation here](#).

Sports Day Friday 27th June

Everyone is welcome to **Sports Day on Friday 27th**; with a 10:15am start for Puffin, Swift & Wren classes and a 1:15pm start for Osprey, Kite, Kestrel & Hawk classes. We look forward to you joining us.

Please remember that we only have permission for you to take photos of your own child, and ask you to respect the privacy of other parents and their children; therefore, photography at our events is on the understanding that photographs that contain images of children other than your own will not be posted on the internet. More information on our photograph policy can be found on [our school website](#).
