*Spare Parts Imaginative Play*

I hope you're all enjoying the sunshine this week—it seems summer is well and truly upon us! It's been another busy and vibrant week at Meldreth, but the highlights are still to come, beginning with today's Sports Day. It's always inspiring to see how our pupils grow through these opportunities.

Please take a moment to check [our calendar](#) for upcoming events, there is a lot happening! In addition, if there's anything you'd like to see at Meldreth, we're always open to new ideas. Finally, do take a moment to check out the advert for the village Church Summer Fair on Saturday. It's always a fantastic community event, and we can't wait to see you all there. Wishing you a lovely week ahead.

## **With more hot weather expected next week again, please remember:**

- Pupils are encouraged to wear wide-brimmed (or legionnaire style) hats when outside. Pupils can refill their water bottles in school when needed.
- If you have not applied waterproof sun cream and your child is swimming, please make sure that they have practiced putting sun cream on at home as we are not able, unfortunately, to help pupils with this.
- We offer pupils shade breaks when outside and our grounds have plenty of shady trees to relax under.

## Talk to your child and think about it....

**What would you do if this happened to you?** - You need to create a username for a new gaming website that you've joined. It says a name can be a nickname or a made-up name but you want to use your real name.

**What should you do?**

- a. Never use your real name on these websites
- b. Ask your parents if you can join
- c. Use a nick name
- d. Use a made-up name

## 30 hours childcare for eligible working families in England

**Are you a working family and earn over £183 per week?**

From September 2025, [eligible working families](#) can now apply for **30 hours of childcare from Meldreth Preschool** from the term after their child turns 2, until they start school.

**Is your family living on a low income or claiming income based benefits?**

If so, [you may be entitled](#) to claim free childcare up to a maximum of 15 hours during term time. APPLY NOW whilst places are available. Contact Janet on 01763 260432.

## Want to wait to give your child a smartphone but don't want them to be the odd one out?

You're not alone! There's a growing movement of parents across Britain who are choosing to wait to give their children smartphones, and it's simple to get involved. The [Parent Pact](#) is a way to join together with other families in your school to agree to delay getting your child a smartphone until at least 14 (when they're a bit older and more able to deal with everything the online world brings).

It's all about strength in numbers – if your child knows that other kids in their class won't be getting a smartphone for a few years either, the peer pressure dissolves. Over 100,000 families have signed already, and it's growing fast.

It takes 30 seconds to sign the Parent Pact – and you can see how many others in your child's class, school and county have signed on the live leader boards.
