

# LOOK UP!

Have you every wanted to visit space? Do you dream of being an astronaut?

This term, Wren Class will take one giant leap...

Our English work will centre around the book Bob, Man on the Moon. We will look at the structure of this story and write our own versions.

The children will also create fact files and respond to poetry.

In maths, we will focus on place value initially and then move on to addition and subtraction. [Click here](#) to find our calculation policy.

In art and design, the children will explore street art and look at works by Mr Doodle, Banksy and Keith Haring.

In DT, the children will look at simple mechanisms and link their final pieces to our space topic.

In science, the children will look at what a scientist does and how to work scientifically.

In history, we will find out about the 1969 moon landing and people instrumental to our understanding of space.

To support our work, we will be using a variety of books including Counting on Katherine.

Our PSHCE unit is rights, rules and responsibilities. We will then move on to thinking about family and friends.

Our PE unit up to half term will cover dodging and creating games.

In computing, the children will explore coding using Purple Mash.
