

# Weekly Bulletin

February 6th 2026

*Wren Class Sedgewick Museum Visit*

The classrooms have been full of energy this month. Children have been busy building strong learning habits, reconnecting with friends, and setting goals for the term ahead. We are especially proud of the way students have demonstrated our school value of co-operation through kindness and effort.

We are excited to introduce our new and very keen Peer Mediators, who have completed their training and are ready to begin their role. They finished their training last week and will start their year as peer mediators next week. Working in pairs, two peer mediators will be available each lunchtime for children who may need support in resolving minor conflicts or disputes. Please do encourage children to visit the peer mediators if you feel a small disagreement could be resolved in this way. Well done to **Adele, Cleo, Riley, Verity, Ivy S, Elliot** who will join our existing team of **Nathan, Jessica, Victoria** and **Josh**

## Parent Consultation Evenings

Parent consultations will be held on 26th February and 2<sup>nd</sup> March\* NEW DATE. **Booking available from 6pm this evening.**

## Next week in school...

### Keeping Children Safe Online – Safer Internet Day - Tuesday 10th February

We will be marking Safer Internet Day. This year's theme is "Smart tech, safe choices – Exploring the safe and responsible use of AI." Children will take part in age-appropriate activities and discussions to help them develop a safe and responsible approach to technology use, including understanding artificial intelligence. Parents and carers are encouraged to continue these conversations at home. Further advice, guidance, and practical resources can be found on the Safer Internet Day website at [www.saferinternetday.org](http://www.saferinternetday.org) and through UK Safer Internet Centre resources at [www.saferinternet.org.uk](http://www.saferinternet.org.uk).

### Parent Workshop: Supporting Emotional Regulation - Thursday 12 February | 1:30–3:00pm

Join us to learn more about how we support children's emotional regulation, as part of our ongoing support for parents of neurodiverse children at school. Please let us know if you are able to attend.

### Osprey Class Cake Sale - Friday 13 February

Every school year group has the opportunity to run a cake sale, and this term it's Osprey Class's turn!

Parents from the year group are kindly asked to donate cakes (cupcakes, whole cakes, biscuits, home-made or shop-bought). Cakes will be sold at break time and after school at pick-up time.

Open to the whole school - Cakes cost 50p each.

**All proceeds will be used exclusively by Osprey Class to purchase resources that enhance classroom learning.**

### Non-Uniform Day - Friday 13 February

To raise money for Home-Start, a local charity offering vital support to families, pupils are invited to wear non-school uniform. Suggested donation to Home-Start

**[Donations online only](#)** - There is the option to choose a coloured heart and leave a message

Thank you for your continued support ♥

### Preschool News

A lively and engaging week of learning has taken place at preschool, with the children fully immersed in a variety of meaningful activities.

Both Caterpillars and Butterflies rooms explored Valentine's-themed learning, supporting personal, social, and emotional development, communication, and creativity. The Caterpillars followed a recipe to make and decorate love heart biscuits, promoting early maths, physical development, and independence. They also created love monsters and love bugs, explored a Valentine's crazy foam messy tuff tray using pink paint and sparkly hearts, and discussed healthy eating through fruit preparation activities.

The Butterflies also enjoyed Valentine's craft activities, including making lanterns, love heart collages, and love monsters, supporting fine motor development and creativity. Phonics learning continued throughout the week with a focus on sound recognition and early letter awareness. A newly introduced hairdressers role-play area was huge hit encouraging imaginative play, communication, and positive peer interactions.

*from the Team at Meldreth Primary School – we wish you well!*

### **Make Praise & Story @ Meldreth Primary School**

We are a group of people from Holy Trinity Church, Meldreth and All Saints' Church, Melbourn and we come in to run an after-school club once a month. We usually work on a joint activity with the children which will be on display in Holy Trinity Church and then we make an individual craft so the children have something to take home with them. We also hand out a few activity sheets related to our topic for the day for them to take home. Usually we have a biscuit or two which helps give an energy boost after a busy day at school.

Our next session will be on Thursday 12<sup>th</sup> February from 3.10p.m. to 4.10p.m. and we will be looking at the story of Jesus stilling the storm. If you would like your child(ren) to come we would be delighted to see them but please contact Pat Smith: e-mail [reader.asmhtm@gmail.com](mailto:reader.asmhtm@gmail.com) **to register beforehand.** If you would like to know anything more about this club, please do contact me at the above e-mail address or telephone on 01763 272575

Above are the angels we made in December and busy hands making a tissue cross for Easter.

# holiday camp

Looking for 5 star, Award Winning,  
Creative Entertainment for Your Kids  
this holiday?
