Year 4 at Grafham Water Centre

Year 4 Grafham Water Centre Residential

On Monday 18th May, Kite Class embarked on their residential trip to Grafham Water. The children took part in a number of teambuilding and physical activities, including kayaking, paddle boarding, high ropes and mountain biking.

Everyone fully embraced the experience and it was so lovely to see the children thrive and work together to achieve success in each of the activities.

Although it was really tiring, we can safely say that our trip was both memorable and special.

Free Breakfast Club Taster

Next week we are doing a 1 week only trial for anyone who would like to give the free breakfast club a go.

There is no need to sign up in advance and we are putting on additional continental breakfast items and an exciting range of activities for everyone attending!

Arrival time is from 8.10am. If you are already booked into the Free Breakfast Club or the Lookout Breakfast club, there is no need to do anything different.

We hope to see you there!

Success in Year 5 Primary Maths Challenge!

Huge congratulations to Oliver W, Maya E, Violet D and Tilly B for making it through to the finals of the Year 5 Primary Maths Challenge.

After a tense and hugely challenging heat that included multiple different rounds, including a measurements estimation and blind drawing challenge, the team received the fantastic news that they had earned a place in the final, where they will compete at the NRICH Headquarters in Cambridge.

During the heat, they impressed with their outstanding teamwork, excellent communication and resilience. We look forward to supporting them in the final round!

Year 6 Enterprise Project

You are all welcome to come along to the Year 6 Enterprise Fayre next Friday (12th June, 3.10-4pm). Hawk Class children have been working really hard to produce some great products and would really appreciate your support. There will be lots of great things to buy, including: Cakes, Slime, Fidgets and Ice Lollies! We hope you can all make it!

We are recruiting

We are growing our team! Would you like to play a vital role in supporting our children's learning and helping them thrive? We are currently recruiting for a Teaching Assistant to join us this September. If you are passionate about making a difference in our pupils' lives, please visit our website for full details and application instructions. https://www.meldreth.cambs.sch.uk/current_job_vacancies

Introducing Class Dojo

Thank you to all the parents and families who have already signed up to Class Dojo. If you haven't signed up to your class yet, please use the link in the email you have been sent or contact the office. Class Dojo is a secure online platform that helps strengthen communication between school and home, allowing us to share updates, celebrate achievements, and keep you informed about your child's learning.

Through Class Dojo, you'll be able to receive messages from teachers, view photos and updates from the classroom, and stay connected with school life more easily. We hope this will provide a simple and effective way to keep you involved and engaged.

We look forward to bringing this new platform into use and enhancing our communication with you.

PTA NEWS

CAMPING NIGHT – Book your place on MCAS now- Saturday 13th June – After the last few years very successful camping events in aid of the swimming pool, the PTA will be hosting another night full of fun, BBQ, swimming & camping. Booking is available via your MCAS account now.

Preschool News

Welcome back to the final term of the academic year. We hope you all had a wonderful half-term break. It has been lovely to welcome the children back to preschool, eager to learn, explore and reconnect with their friends.

This term promises to be an exciting one, with lots of learning opportunities, special events and celebrations planned. The topics this term focus on Summer fun and for many of the Butterflies children, preparing for the transition to school. Graduation Day preparations are well underway and school leaver families should now have received an invitation to join us for this special milestone.

The Caterpillars have enjoyed settling back into preschool routines through a range of exciting activities. Outdoors, they explored the sand pit, construction resources and a sea creature water tray. Indoors, the children designed and decorated boats for their summer display and enjoyed imaginative role play. The children have also enjoyed singing nursery rhymes and sharing their half-term adventures.

The Butterflies have had a busy start to the term. The children enjoyed sharing their half-term adventures and revisiting the butterfly life cycle following the release of the butterflies. They then began exploring the Summer fun topic by creating colourful lollipops, drawing seaside pictures, and taking part in activities linked to life by the seaside. The children also enjoyed listening to the rhyming story "What the Ladybird Heard at the Seaside" helping to develop their awareness of rhyme, listening skills and vocabulary. All children thoroughly enjoyed bringing the "We're Going on a Bear Hunt" story to life through storytelling and outdoor role play.

We hope you all have a lovely weekend. Let's hope for some more sunshine as we look forward to another exciting week of learning at preschool.

Star Shine Night Walk

This summer, Arthur Rank Hospice Charity invites you to its much-loved flagship fundraiser, the **Star Shine Night Walk**, returning to Cambridge on **Saturday 20 June 2026**. This year's event promises to be a special one, as our community strides together, on one of the longest days of the year, to raise vital funds for the Hospice. Gather your friends, family and colleagues and spend a Saturday night with purpose; supporting compassionate care for those who need it most across Cambridgeshire.
