K51 enjoying Sports Day

Meldreth Celebrates Sports Day

Under a blazing hot sun, the students came together to compete in their houses in a variety of different ways. From long jump to shuttle runs, chest push to hit the wicket, the children worked extremely hard in challenging conditions to put on an amazing show for our watching parents.

A huge thank you as always to our wonderful PE coordinator, **Chloe Jackson**, who has put hours of careful planning and preparation into ensuring that the day ran smoothly, and to all the Year 5 sports leaders and staff members who helped run the events.

Lastly, a massive congratulations to **Oak House**, who narrowly clinched victory from 2nd place Elm. Ash came 3rd whilst Beech placed 4th.

With more hot weather expected next week again, please remember:

- Pupils are encouraged to wear wide-brimmed (or legionnaire style) hats when outside. Pupils can refill their water bottles in school when needed.
- If you have not applied waterproof sun cream and your child is swimming, please make sure that they have practiced putting sun cream on at home as we are not able, unfortunately, to help pupils with this.
- We offer pupils shade breaks when outside and our grounds have plenty of shady trees to relax under.

Swimming Pool

With our swimming season now well under way, it is a pleasure to see the children enjoying the pool again. This is a unique feature of our lovely school and provides an amazing opportunity for our children to develop water confidence in preparation for deep-water swimming and improve their independence and confidence. Our fantastic PTA are the driving force behind our swimming pool, raising funds to keep this as a resource for our students.

You will have recently received an email about a voluntary donation towards the ongoing running costs of the pool. Please consider a modest donation of £25 per family, payable in the store on MCAS, towards this season's school swimming sessions. There are also after school funs sessions, bookable every day until the end of term (from Monday onwards). The cost is £2.50 per child, bookable via MCAS in clubs.

Preschool News

As always, another busy and enjoyable week has been had by both rooms in preschool. The children have been exploring our new ocean topic through a wide range of activities that supported their development across all areas of the EYFS curriculum.

The Caterpillars enjoyed mark making, threading, sensory play, creative crafts and outdoor exploration. They also practised their fine motor skills, enjoyed nursery rhymes and dancing, and explored different textures through a variety of sensory tuff trays. The cloud dough, crazy foam and water play tuff trays were the most popular amongst the children.

The Butterflies continued to develop their creativity through a range of art activities including making jelly fish, under the sea pictures and salt painting pictures. The butterflies book of the week was "Commotion in the Ocean" which inspired many of the children's activities and discussions. All children enjoyed sensory exploration, memory games, music and movement activities and opportunities to practise their name writing and number recognition skills.

holiday camp

AS SEEN ON

Creative Holiday Club

Bring a packed lunch and your imagination!
We've got the rest covered...

CAMP INFO

- ✓ Suitable for children 4 -11 years
- ✓ Endless arts & crafts to take home
- ✓ Full DBS checked instructors
- ✓ £40 Full Day session 9am - 3.30pm

WHAT PEOPLE SAY...

Best holiday club we've tried - a lovely mix of activities and a really caring environment. Would definitely recommend!
Rachel A,

"My 3 always love their time with Lyndsay. They always come out smiling eager to show me everything they have made!"
Suzanne H,

ALL SAINTS' & HOLY TRINITY MELBOURN & MELDRETH

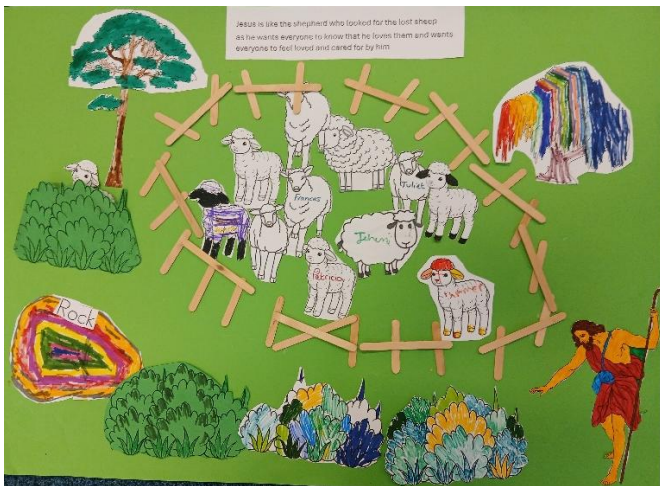

Make Praise & Story @ Meldreth Primary School

3.10p.m. till 4.10p.m. second **Wednesday** of the month in term time

Hello and for those of you who don't know we are a team of people from Holy Trinity Church and All Saints' Church and we come into School once a month to run an after school club. Our next session will be on **Wednesday 8 July** at **3.10p.m.** when the topic we will be looking at will be the story of The Good Samaritan.

In June we heard the story of The Lost Sheep and the shepherd who went looking for it. We explained that the sheep represent people and the shepherd is like Jesus and that he wants everyone to know him and that he loves them. Like the shepherd Jesus will always look out for those who have "got lost" perhaps by doing something "wrong" and those who don't yet know him. We remembered that it tells us in the bible that Jesus said "I am the good shepherd" (John 10:11).

The children made a collage of this story and if you look carefully you might see the lost sheep that the shepherd is looking for! Then we had great fun decorating biscuits to look like sheep and they were taken home.

This after school club is free and open to anyone who attends Meldreth Primary School. You will need to register by contacting Pat Smith on the following e-mail: reader.asmhtm@gmail.com. All children must be picked up by their parent/carer and we must know in advance if someone else is collecting the child(ren) on your behalf. We would appreciate **registration a few days before** to enable us to prepare the materials. If you would like to know anything more please do contact Pat on the above address or by phone on 01763 262575. We look forward to welcoming you.
