Students enjoying break time in the shade!

Meldreth Enjoys the Heat Wave!

Heatwave hysteria gripped the nation this week as we saw consistently high temperatures every day. Armed with tower fans, blackout blinds, litres of water and the occasional Ice Pop, Meldreth students and staff alike basked in the heat, kept calm and carried on!

Indeed, despite the heat, it was a pleasure to see our children relatively unfazed and still full of energy and enthusiasm for their learning. Thank you to parents and carers who read and followed our guidance and to our staff who ensured that our children were kept safe and happy throughout.

It is precisely weeks like this where enjoying the privilege of our very own swimming pool comes into its own. Please do consider donating through MCAS to its upkeep if you haven't already and consider booking your child into Fun Swim sessions after school at only £2.50 per child.

Book Amnesty

As we approach the end of the year, class libraries are starting to look a bit depleted with many books lent out earlier in the year to children and families yet to be returned. High quality books are an invaluable resource for schools and at Meldreth Primary, we pride ourselves on giving our students a selection of some of the very best modern and classic texts available.

Please do take the time to have a quick hunt through your home to see whether there are any books from school that can be given back either to the School Office or directly to your class teacher.

Year 5/6 End of Year Production

Tickets are now available for our Year 5 and 6 Play: 'Dream On'. Each family can book 3 tickets per performance, available through MCAS.

Tickets cost £1, contributing towards the cost of the play.

Performances will take place on Wednesday the 1st and Thursday the 2nd of July.

We hope to see you there!

Preschool News

What an incredibly hot week we have had at Preschool! Throughout the week, staff adapted activities and routines to ensure all children remained safe, comfortable and able to enjoy their learning. Lots of water play, regular drink breaks and cooler indoor activities helped children stay comfortable during the hottest parts of the day.

The Caterpillars enjoyed a week full of sensory exploration, imaginative play and creativity. During the cooler parts of the day, the children enjoyed being outside riding bikes, building sandcastles, creating obstacle courses and lots of water play to help keep cool. Indoors, they explored cloud dough, rice play, colouring activities and seaside-themed tuff trays. The children discussed ocean animals, counted sea creatures and used their imaginations during both adult and child-led play playdough exploration.

The Butterflies continued their seaside and healthy living themes through water play, colour mixing, healthy eating activities and imaginative play. The children enjoyed listening to our focus book of the week, Oliver's Vegetables, sorting fruits and vegetables, practising name writing, counting goals in football activities and exploring rhythm and music.

Despite the temperatures, the children remained curious, happy and enthusiastic learners throughout the week. Have a lovely weekend!

holiday camp

WE'VE BEEN ON

Creative Holiday Club

Bring a packed lunch and your imagination!
We've got the rest covered...

WHAT PEOPLE SAY...

Best holiday club we've tried - a lovely mix of activities and a really caring environment. Would definitely recommend!
Rachel A,

"My 3 always love their time with Lyndsay. They always come out smiling eager to show me everything they have made!"
Suzanne H,
