Pupil group analysis

Average Score 2020

Average Score 2018-20 pupil numbers are averaged across the three years

Green circle or bar indicates that value added is significantly above the national average. Red circle or bar indicates that value added is significantly below the national average. The black line on the charts represents the pupil groups' national average.

Indicators only include pupils who have been assessed. Cohort sizes may vary with the number of assessed pupils for the 17 ELG.
