

# Weekly Bulletin

May 6<sup>th</sup> 2022

Our value this half term of 'Aspiration' will be tangible in school over the next week as our Year 6 pupils prepare to sit their Standardised Assessment Tests (SATs) and demonstrate some of the wonderful skills, attitudes and knowledge that they have learned with us over the past seven years.

***Year 6, we are incredibly proud of the effort and hard work that you have demonstrated over the years. Trust in your abilities, set yourself challenging goals, think positively and work hard.***

Our children at Meldreth are well prepared for their assessments and in our experience, have ended quite enjoying the challenge! Whilst teachers and children have certainly been working hard to prepare for these tests, at Meldreth we know the importance of a broad and balanced curriculum and we are making sure that we have plenty of fun too.

It is fabulous to see so many of the children coming through the school gates independently this term. **Well done parents and carers for encouraging this independence.** If you still miss your quick chats with staff at the beginning of the day please consider:

- A quick chat with staff at the end of the school day;
- Calling into or emailing the office to leave a message;

## Maths Challenge News

Yesterday, a team of Year 5 mathematicians took part in a maths challenge along with teams from other Cambridgeshire schools for an afternoon of mathematical challenge. A great time was had by all with **Benjamin H, Eleanor W, Maia K-B & Edward D** showing great team skills and being praised for their high achievement in this round of some very challenging mathematical challenges which stretched the minds of the children and adults alike.

*"We hated the questions in the memory round but everyone else loved this round."*

*"Some of the maths we hadn't been taught yet so we used logic!"*

*"Naturally all four of us were extremely nervous, but excitement was following us. The nerve wracking announcement went something like this 'You've all worked hard, so I'm going to announce the six schools separated by six points....and in first place, **Meldreth Primary School!**'"*

## Football News

A local derby was on the cards as we travelled down the road to take on our neighbours, Melbourn Primary yesterday. After an extremely close and well-fought game, the final score was a well-deserved 3-3 draw. Despite being 2-0 down at half time, the team showed great resilience and determination to pull level by the end of the match. Goals from **Samuel, Joe and Maisie** (on her birthday!) as well as another world class save from **Oli** meant for an extremely entertaining game that was enjoyed by players and spectators alike.

## Queen's Jubilee Menu

On **Friday 20th May**, we will be holding a 'street' party in school to celebrate the Queen's Platinum Jubilee after 70 years of service. We would love your child to join us. Please **pre-book your lunch (including if you are providing a packed lunch)** via your MCAS account or by contacting the school office.

## Uniform Orders

For delivery before the end of term, the last day to place school orders is **10th June 2022**

It may seem weeks away, but with summer fast approaching and the volume of orders already increasing, we are advising our customers to place their uniform orders early. If you wish to place a school order which requires pre-summer delivery FREE to school we ask that you order on or before 10th June.

**FREE Positive Parenting Workshop** - Sat 21<sup>st</sup> May at Melbourn Community Hub.

**Build your confidence, understand your child's behaviour, listen and communicate, set boundaries, manage stress and conflict, pick your battles, enjoy family life and importantly... look after you own wellbeing**

This course is to provide parents/grandparents/carers with practical tips for families to improve confidence and raise self-esteem (suitable for children aged 2-12 years old). To book onto the course, please email [commed@combertonvc.org](mailto:commed@combertonvc.org) by Friday 13th May. The course is being repeated at Cambourne Village College on Saturday 18th June.
