MATHS CHALLENGE

Ladybird number bonds match

Select number bonds to 10, 20 or 100. Use the numbers at the bottom of the signpost to make pairs on the ladybirds wings (you can write the numbers on pieces of paper or make them with playdough). Write the number you want to make in the box on the ladybirds head.

Visit Top Marks Maths and play [The Coins Game](#)

- Choose whether to sort, order or count coins.

It's Choosey Tuesday!

Every other week we are going to ask you to make a choice about what you would like to do for Nature Detectives.

Visit the [Woodland Trust Home Learning](#) site and choose one of the 10 activities on offer. There are some lovely activities for you to do as a family or to do on your own. You choose!

PHONICS - Today we are continuing with the phoneme 'ph' as in 'f'.

Visit Phonicsplay and play [Buried Treasure](#).

Select the 'ph' grapheme. Read each 'ph' word on display and decide whether it is real or fake. The pirate will do a merry jig if you are correct. Once you have played the game you can choose a different game to play. It is Choosey Tuesday after all!

Music - Visit the Cambs music site [Charanga](#) (logins have been emailed to parents)

You may recognise Charanga from when we use it in school.

Ask your adult to click on Your Imagination for Year 1.

Activities for Your Imagination

1. Select warm up games and do challenge 2 (you will need space to move). There will be instructions for you to follow - your adult might need to help.
2. Listen to and appraise Rainbow Connection. This is from another one of Miss Jackson's favourite films as a child. If you want to see this part of the film click [Muppet Movie](#) where you can see Kermit the Frog singing the song.
3. Select learn to sing the song Your Imagination. Follow the words and join in.

Plan Do Review - Purple Mash

We are going to continue to work on our programming skills by moving on to BeeBots today. If you have a iphone or ipad you can download Bee-Bot and Blue-Bot for free.

Alternatively, you can use this online emulator at [Terapin Logo](#) if you are working with a PC or laptop.

You choose a game or activity mat and direct your Bee-Bot by using the arrow keys and the go button. You have to think about your Bee-Bots journey first before using the keys to direct them otherwise you might make a mistake.

Reading Corner

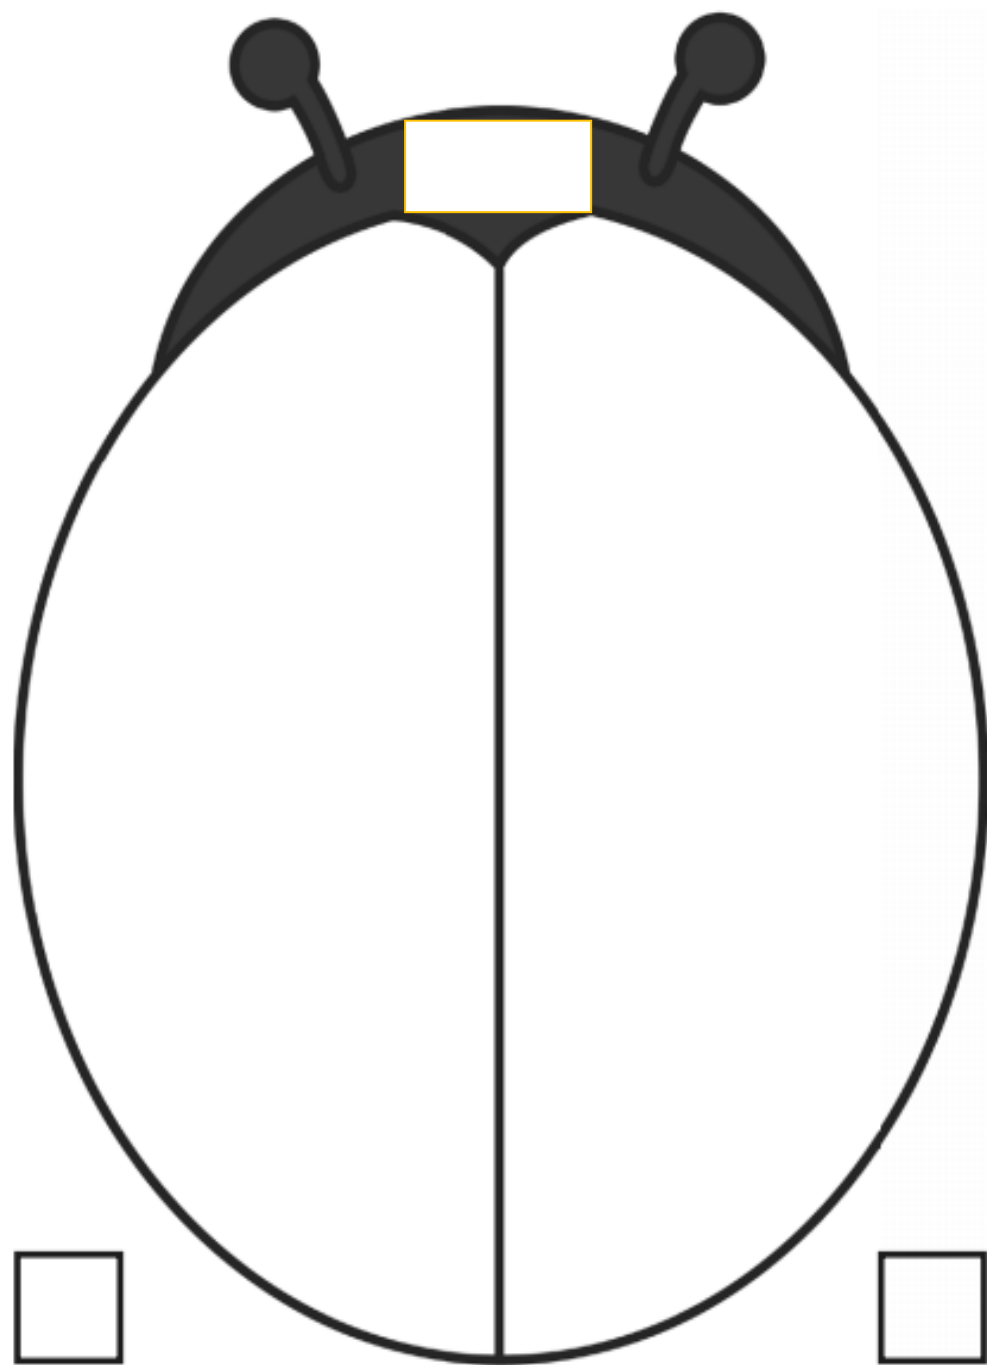

Choose a book from home. Read it with your adult. Look at the front cover. What do you notice about it that links it to the story?

A little bit extra - Lego Challenge

Build your face out of lego or draw yourself as a lego figure.

Show what you know or find out what you can about each of the headings. Try to do some work on each of the tasks but do try **and** do MORE about the one you like the sound of most. **Ask a parent to email your work for Miss Jackson to mark.** cjackson@meldreth.cambs.sch.uk

Choose your number bonds

Number bonds to 10

10	8	5	9	0
2	3	7	1	6
5	4			

Number bonds to 20

10	18	5	19	0
2	13	7	1	6
15	14	10	20	

Number bonds to 100

100	80	50	90	0
20	30	70	10	60
50	40
