The world around you

Today is World Bee Day. Be like a busy bee and find out some new facts. Look in a book, talk to someone or look at Maddie Moate's Youtube channel- loads of video clips! Search Beekeeping with Maddie on YouTube. You could record yourself telling me some facts or make a poster.

Write an acrostic poem for

Think about something a bee can do, or looks like for each line. (or you can think of 4 words that start with each letter if this is tricky)

Remember- say the word/sentence, sound it out, use your alphabet mat and write letter shapes carefully

PHONICS - Tic-Tac-Toe phonics

You need:- grid drawn on a piece of paper (see below), counters

1. Take turns with a friend to read a sound.
2. Say a word that contains that sound.
3. Cover the sound with your counter
4. The first person to get three counters in a row is the winner

Maths number patterns

You need: number cards 1-10, a separate pile of cards with 1,2,5,10

Chose a number card from the pack.

2. roll the dice, this tells you the 'jumps' you will make for the number pattern

3. Write the first number (eg 4), then continue the pattern for the next 4 numbers

So if you choose 4 and the jump card 2 it would be...

So **4**- 6- 8- 10- 12

2 4 6 8 10

5 10 15 20

3 5 7 9 11

10 8 6 4 2

You could write this in your book, or use chalk to write it outside, or 'paint it' with water

Use your number line to help you remember the jumps

- Wellness Wednesday. Find somewhere at home where you feel calm. Talk about what this word means and what happens to your body when you are calm.
- Make a bee- use collage, a toilet tube, bubble wrap to make honeycomb, lego, paint, playdough, chalk drawing. We'll make a collection of all the bees we have made. Treat yourself to some honey today too- honey sandwich/toast or cook with honey. Yum.

Upload your work to Tapestry or email to us, we would love to see it
