

OSPREY SIGNPOST 24

LITERACY TASK

Big Questions - If you could climb a ladder up into the clouds, what would it be like there?
Write a description.

CREATIVE TASK

Music – Log-in to Charanga and explore the new activities.

MATHS TASK

Have a go at the length, weight and volume measuring challenge below.

PE TASK

Have a go at the 'Jumping Beans' game below.

Please complete as many of the tasks as possible, however please try to put MORE into the task which appeals to you the most.

Upload your work to STARZ or ask a parent to email your work for Miss McGinty to mark.

Maths – Measuring length, weight and volume.

a) Write these lengths in order, shortest first:

600cm

20mm

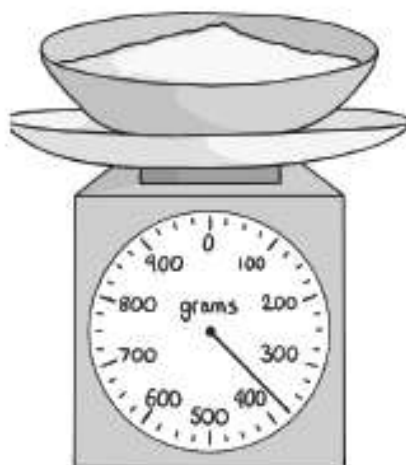

1cm

5m

50cm

--	--	--	--	--

b) Tom is baking a cake. The recipe needs 500 grams of sugar. How many more grams does he need?

--

 g

c) How many centimetres longer is the second crayon?

--

 cm

d) This empty jug is filled with 250ml of water. Mark where the water comes to on the scale?

PE – Jumping Beans Game

You need:

- A clear space (the garden is ideal)
- An instructor

How to play:

1. Children move around the space in the instructor's given way (e.g.: walking, running, jumping, skipping, side-stepping, etc.).
2. As the children are moving, the instructor shouts out commands in any order, which the children have to follow until the instructor says 'go' again:

Jumping Beans Jump up and down on the spot.	Jelly Beans Wiggle like jelly on a plate.	String Beans Make a long, tall shape.
Broad Beans Make a wide shape.	Chilli Beans Pretend to be cold.	Runner Beans Run on the spot.
Kidney Beans Put hands on your back where your kidneys are.	Baked Beans Make a small ball shape on the ground.	Beans on Toast Lay on the floor with arms spread.
