Cluster spotter

Dear Spring,

We are in Sprowston. It is so much fun. It is hot but we had a lot of rain in the night. The rain sprang up under the tent and wet the bags.

We went to see a big tree. It has been struck lots in storms but it is still upright.

Mum took part in the park sprint and she fell over. We had to go the doctor and she has sprained her arm.

My sister had a big strop and got sent to bed. I got strings of sweets from the shop. I did not tell my sister.

We will be back soon.
