

Weekly Bulletin

March 11th 2022

It has been a sporty week in school this week! After what seems like a very long time without intra school competitions, these began in earnest this week. A huge well done to all the children who represented our school in matches this week. More news below...

Next week is the start of British Science Week and to celebrate this, each class has been linked with a scientist to celebrate all sciences and their importance in our everyday lives. We expect virtual visits from scientists working in science, engineering and health across Cambridgeshire. Why not encourage your child to join the [2022 Curiosity Challenge?](#)

Please join us **NEXT FRIDAY** in raising awareness and funds for Sports Relief. Children are asked to come to school in anything red (sportswear please). This might be by wearing whacky headgear/hair, or dressing 'as colourfully as possible (masks, whacky glasses, face paints optional)'. **Suggested donation £1.**

From 10am onwards, all children will be taking part in our annual fun run on our school site. **Red noses are now available via MCAS for £1.50.**

Sports News

On Monday the 7th March the Meldreth Netball team (Croggen, Zoë, Chloe P, Toby, Sophie Sam, Oli, and the year gives, Daphne, Nola and Willow) attended the Melbourn Village College netball tournament.

We had 3 matches. Our first was against Triplow Primary School. The talented Zoë scored our first goal of the tournament and we won that match 1-0.

Then, we went on to play Foxton bye team, which was a huge success. Experienced Toby managed to score three outstanding goals followed by a goal from Sophie. The final score was 4-0.

Afterwards, we played Foxton Red-Team in the finals! This was our first match where the opposition team scored. The courageous Chloe P. managed to score our first goal of the finals.

Then Foxton managed to equalise with an exciting goal. The score was 1-1. It started to get intense.

Only a few minutes before the final whistle, the amazingly tall Daphne was brought onto the court. Securing our victory, she managed to score a game-changing goal. Victory was in our hands, we couldn't let them score in the next 2 minutes.

As the crowd started to count down from 10, we knew we had done it. As the final whistle blew, we all sighed a gasp of relief. We had won! In good sportsmanship, we hip-hip-hoorayed for Foxton and they did the same in return. Then, we could celebrate while and after we had gone home.

Hockey News

On Tuesday 8th March, there was a hockey tournament at Wilberforce Road Sports Centre. We went on a bus to get there and we were split into two teams. We competed against lots of other teams. In the plate, Meldreth came 9th and in the cup Meldreth came 2nd after the finals. Then we did golden goal and the other team won. We all medals because we came second. There was also a team that won the spirited award and Meldreth Team B (the ones who played in the plate) won that award! It was a very fun day for Meldreth. Written by **Isla J and Sam F.**

Football

On Wednesday, Meldreth played Barrington in a football match. The team was made up of **Toby, Oli S, Joe, Rennie, Robert B, Javier, Tom R, McKenzie L, Sam T and Maisie**. Meldreth won 8-1. Maisie scored four goals, Toby scored 2 goals, McKenzie scored 1 goal, Sam scored 1 goal and Oli scored 1 into the back of our own net! It was an amazing experience and we hope to have more games like this in the future. Thank you for reading. Written by **Joe, Toby and Oli**.

Please do continue to inform us if you feel that your child has COVID symptoms and needs to take a PCR test. We will continue to update our website with any classes where children have COVID symptoms and will inform you if there is a positive case in your child's class.

School Attendance

As you are aware, schools have strict guidelines to follow when dealing with non-attendance. Holidays taken in term time will not be authorised. Every day in school, or a trip away from school, is carefully planned to ensure all our children develop the knowledge, understanding, skills & experiences to flourish. In missing school time, children not only miss key learning, but then have to ensure they have caught up on what has been missed.
