

# Kite Signposts 34

Miss Whitton and other staff will be uploading more information onto the 'Kite Class' page and the 'our home learning' pages on the school website. Please look on there for any further information or email Miss Whitton if you have any questions.

## History/Writing Task

Using the information you learnt yesterday about Boudica, create a comic strip telling the story of the Roman invasion and Boudica's rebellion.

You may use the template below or create your own one.

## Daily Tasks

Try and complete the activities, on the list below, every day. These are important and need to be completed daily.

- Read for at least 15 minutes a day.
- Go over your trickiest Year 3 and 4 spellings.
- Recap your trickiest times tables.

To help you, there is a selection of resources on the 'Our Home Learning' page on the school website under 'Osprey and Kite.'

## Further Tasks

See below a list of other activities you can do to keep you busy. Ask parents before visiting the websites.

- Go on Mathletics
- Go on purple Mash
- Do a Joe Wick's workout
- Listen to David Walliams' stories at 'The World of David Walliams.'
- See which animals are currently livestreaming:

## Maths Task

Complete the activities below and attached on different types of angles.

If you don't have a printer, write the name of the angle next to the number.

Don't complete the activity involving a protractor.

## Grammar Task

From feedback from your grammar activity last week, I will be sending home a different activity for the areas you all found tricky.

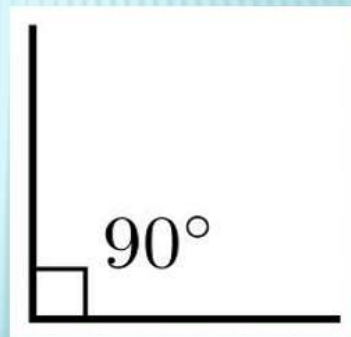

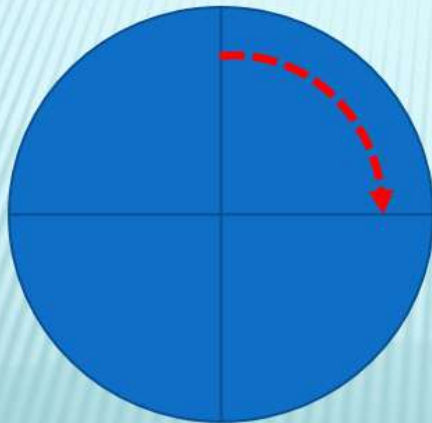

Today, read the information below on prepositions then, complete the activity.

**Upload your work on your Starz account for Miss Whitton to mark.**

## Maths Task

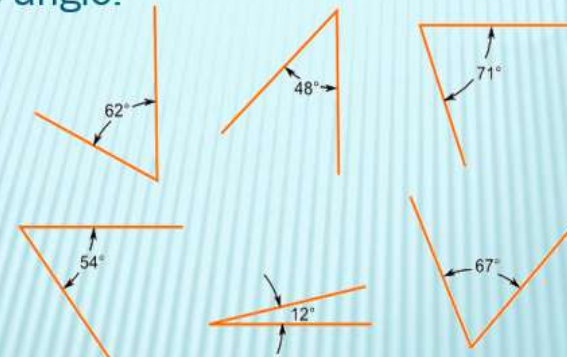

### RIGHT ANGLES

A right angle is a quarter of a full turn. It measures  $90^\circ$

### ACUTE ANGLES

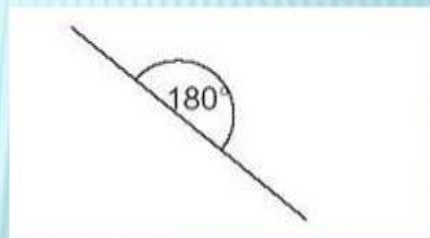

Any angle that is smaller than a right angle is an acute angle.

REMEMBER a right angle is  $90^\circ$

### STRAIGHT ANGLES

A half of a full turn is called a straight angle. It measures  $180^\circ$

### OBTUSE ANGLES

An obtuse angle is bigger than a right angle but smaller than a straight angle

REMEMBER a straight angle is  $180^\circ$

### Baby Acute Angle

This is baby Acute angle. Isn't he cute?! He loves a hug, and always has his arms out for cuddles! He's the smallest of the family, measuring less than 90°.

### Mrs. Right Angle

This is me. I'm Mrs. Right Angle. I always measure 90°, my favourite shape is a square, and whatsmore, no matter what my husband tells you, I'm always right!

### Mr. Obtuse Angle

This is Obtuse. He's the husband of the family. He's bigger than Right and Acute. He's always inside, and he always measures between 90° and 180° (depending on how much dinner he's eaten!)

### Challenge

Mark says that he can draw a right-angled triangle which has another angle which is obtuse.

Is he right?

Explain why.

## Grammar Task

- A **preposition** is a word which shows the relationship between one thing and another.

### What can prepositions tell you?

- It may tell you **where** a thing is in relation to something else.
- The juicy, red apple was **on** the book.
- It may tell you **when** something is in relation to another event.
- She refused to leave the house **until** the postman had been.
- A preposition may also tell you the **position** of something in relation to something else.
- The gentle, brown dog slept **beside** the fluffy white rabbit.
- It may also tell you the **direction** something is travelling in relation to something else.
- The gallant horseman was riding **along** the windy shoreline.

## Examples of prepositions

before behind from beneath

across below down throughout with

past among near above during under

outside toward upon over after through

## Activity

Look at this bedroom scene. Write a sentence to describe **where everything is**. Use prepositions to do this.  
For example: The desk is **under** the window
