

# Kestrel Signposts 65

1. Starter: **FRIDAY READING REGISTER!** Please read at least 10 pages of your book in the morning and 10 pages in the evening. Tell me what you've read on the sheet I've made on Chrome! Note down what you're reading AND what page you're on!
2. Spellings: Do a practice spelling test with a parent ready for Monday: then focus on practising the ones you haven't learned yet.

## Miss Hill's Task

It's Friday and that means Show and Tell! Today I would like you to film a short video showing me something interesting or special to you, and tell me all about it. If you can't manage a video, a slideshow will be fine! Remember to send it to me at [nhill@meldreth.education](mailto:nhill@meldreth.education).

## Finish-off Friday

**Use some of today to complete, improve, or try some of the activities that you haven't managed to finish from earlier in the week!**

Don't forget to tune in to Newsround at some point to catch up with today's news! Discuss the stories with your parents if you get a chance!

## Practise Recorder

Go to Charanga to look at the Blown away Recorder book. There are tunes here for whatever stage you are at.

## Friday Free write

Write a story inspired by the Olympic motto:  
**Citius Altius Fortius**

It could involve sport but it doesn't have to. It could be about beating a champion (or a cheat); it could be about winning against all the odds; it could be a Roman slave who earns his/her freedom by impressing the Emperor in the Coliseum; it could be about being determined to prove a point;

Spend 10 minutes MindMapping your idea – then get writing!!

## Computing

Stay with you quizzes: add more questions  
and add a scoring system.

I've added a few slides to help with setting  
questions and scoring if you need a nudge!

[These little videos](#) will really help you get  
started!

*Look out for more of Erik the Viking in the Classroom*
