

Kite Signposts 65

Miss Whitton and other staff will be uploading more information onto the 'Kite Class' page and the 'our home learning' pages on the school website. Please look on there for any further information or email Miss Whitton if you have any questions.

Creative Task

If you were an animal, what would you be? Tell me which animal you think you'd be and explain why. For example, Miss Whitton would be an elephant, because she always sticks close to her family and likes to work hard. Then, draw a picture of the animal you chose.

Maths Task

As we come to the end of the school year, we are going to revise each area of the Maths curriculum. Try and complete the assessment attached, then mark it using the answers at the end. Be honest and let me know if there is anything you find tricky, so I can pass it onto Mr Jones for next year.

Activity from Mr Jones

Make a puppet (or two). You could use socks or material, or make cardboard shadow puppets on sticks. But on Monday you will be making a little story with them, so start thinking about that, too!

Choose any activities to would like to do, then upload your work on your Google Classroom account for Miss Whitton to mark. You don't have to complete all the activities, choose your favourites to complete.
