## NEWS

### Growing Our Future

Our first topic this year is called Growing Our Future. We will look at the book *The Secret Sky Garden* by Linda Sarah. The book leads to discussions about rewilding, community and our impact on the environment. We will then focus on space in our Look Up! Topic. We will enjoy a range of texts including *Man on the Moon*, *Look Up* and *Counting on Katherine*.

You can find our topic webs, knowledge organisers and more information on the school website.

### Home Learning

Spellings will be put on Tapestry on a Friday and tested in school the following week.

The children will be given a home learning book. They can practice their spellings in this book and use this book to share any additional work they have done at home. Please bring these in on a Friday.
