

# Equality Statement

The Public Sector Equality Duty 2011 has 3 main aims:

1. Eliminate unlawful discrimination, harassment and victimization and other conduct prohibited by the Act.
2. Advance equality of opportunity between people who share a protected characteristic and those who do not.
3. Foster good relations between people who share a protected characteristic and those who do not.

This statement outlines the commitment of our school to ensure that equality of opportunity is available to all members of the school community for our school this means, not simply treating everybody the same but, understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, celebrating and valuing the equal opportunity achievements and strengths of all members of the school community. These include:-

- Pupils
- Teaching staff
- Support staff
- Parents/ carers
- Governors
- Multi-agency staff linked to the staff, AEN services staff, school improvement services staff, school attendance service
- Visitors to school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. We want to provide an environment which is free from unlawful discrimination, harassment or victimization of any kind. We want to educate our pupils in an environment which recognizes, celebrates and draws upon the diversity of Meldreth and offers equal respect, appropriate support and fair rewards for all our pupils.

At our school, equality is a key principle for treating all people the same. The Equality Act defines eight 'Protected Characteristics' :

- Age
- Disability
- Gender reassignment
- Pregnancy and maternity
- Race

- Religion and belief
- Gender
- Sexual orientation

The Equality Act makes it illegal to discriminate against a person with a disability for a reason related to their disability. It is also illegal to have rules, policies or practices which apply to everyone but which may disadvantage people with disabilities. Our school is required to make reasonable adjustments to allow children with disabilities to fully take part in the activities. These requirements are derived from the Disability Discrimination Act.

**Less favourable treatment**- children with disabilities are entitled not to be treated less favourably than non-disabled children for a reason relating to their disability, without reasonable justification.

**Reasonable adjustments**- children with disabilities are entitled to have reasonable adjustments made with respect to admission arrangements or in provision of education and associated services, to prevent them being placed at a substantial disadvantage, unless the refusal to make those adjustments can be justified.

## **Monitoring and review**

Equality is identified as an area requiring careful and ongoing monitoring in the School Improvement Plan and due regard is given to the promotion of all aspects of equality within

the SIP. The person on the staff responsible for co-ordinating the monitoring and evaluation is Mrs Sasha Howard. She will be responsible for:

- Leading discussions, arranging training, keeping staff updated in designated staff meetings which will include support to discuss qualities within the community
- Working closely with the governing body.
- Supporting positively the evaluation of activities that moderate the impact and success of the equalities agenda.

We regularly review the impact of our policies on the needs, entitlements and outcomes for pupils, staff and parents from the equality strands referred to in this statement. We pay specific reference to the impact that our policies have on the attainment of pupils from different groups. We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of individual pupils to ensure that everyone is making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary. Interventions and resources are available to support groups or individual pupils where information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information. School performance information is compared to national data and Local Authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances. Our small cohort numbers do make this data difficult to read as our statistics can vary considerably year on year.

## **Promoting Equality through the Curriculum**

### **Learning and Teaching**

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, teaching and learning will:

- Ensure equality of access for all pupils and prepare them for life in a diverse society;
- Use materials that reflect a range of cultural backgrounds, without stereotyping;
- Promote attitudes and values that will challenge discriminatory behaviour;
- Provide opportunities for pupils to appreciate their own culture and religions and celebrate the diversity of other cultures;
- Use a range of sensitive teaching strategies when teaching about different cultural and religious traditions;
- Develop pupils advocacy skills so that they can detect bias, challenge discrimination, leading to justice and equality;
- Ensure that the PSHE and Citizenship curriculum cover issues of equalities, diversity, religion, human rights and inclusion;
- All subject departments, where appropriate, promote and celebrate the contribution of different ethnic groups to the subject matter;
- Seek to involve all parents in supporting their child's education;
- Provide educational visits and extra-curricular activities that involve all pupil groupings;

- Take account of the performance of all pupils when planning for future learning and settling challenging targets;
- Make best use of all available resources to support the learning of all groups of pupils;
- Identify resources that support staff development.

## **Learning Environment**

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, ability or social background. All pupils are encouraged to improve on their own achievements and not to measure themselves against others. Parents are also encouraged to view their own children's achievements in this light. To secure the desired outcomes we recognise:

Teacher enthusiasm is a vital factor in achieving a high level of motivation and good results from all pupils;

Adults in the school will try to provide good, positive role models in their approach to all issues relating to equality of opportunity;

The school should place a very high priority on the provision for special educational needs and disability. We aim to meet all pupils' learning needs including the more able by carefully assessed and administered programmes of work (see SEND policy and Disability Equality Scheme);

The school must provide an environment in which all pupils have equal access to all facilities and resources;

All pupils are to be encouraged to be actively involved in their own learning;

A range of teaching methods are to be used throughout the school to ensure that effective learning takes place at all stages for all pupils.

## **Curriculum**

We aim to ensure that our:

- Planning reflects our commitment to equality in all subject areas and cross curricular themes promoting positive attitudes to equality and diversity;
- Pupils will have opportunities to explore concepts and issues relating to identity and equality
- All steps are taken to ensure that all pupils have access to mainstream curriculum by taking into account the cultural and lifestyle backgrounds of all pupils, their linguistic needs are taken into account and their learning styles are considered.
- All pupils have access to qualifications which recognise attainment and achievement and promote progression

## **Ethos and Atmosphere**

We are aware that those involved in the leadership of the school community are instrumental in demonstrating mutual respect between all members of the school community;

There should be an 'openness' of atmosphere which welcomes everyone to the school;

The children are encouraged to greet visitors to the school with friendliness and respect;

The displays around the school are of a high quality and reflect diversity across all aspects of equality of opportunity and are frequently monitored;

Provision is made to cater for the spiritual needs of all the children through planning of both assemblies, classroom based and externally based activities.

## **Resources and Materials**

When ordering new resources and materials we consider how they show equality

The provision of good quality resources and materials within our school is a high priority.

These resources should:

- Reflect "the reality of an ethnically, culturally and sexual diverse society;"
- Reflect a variety of viewpoints;
- Show positive images of males and females in society including people with disabilities;
- Reflect non-stereotypical images of all groups in a global context;
- Include materials to raise awareness of equal opportunity issues
- Be equally accessible to all members of school community consistent with health and safety
- Not include explicitly and implicitly racist, sexist, homophobic or ageist materials.

We recognise that it is important that at our school that all members of the school community use appropriate language which:

- Does not transmit or confirm stereotypes;
- Does not offend;
- Creates and enhances positive images of particular groups identified at the beginning of this document;
- Creates the conditions for all people to develop their self esteem;
- Uses correct terminology in referring to particular groups or individuals e.g. Inuit rather Eskimo, Native Americans rather than Red Indians.
- Use first language effectively for learning

## **Extra-Curricular Provision**

It is the policy of our school to provide equal access to all activities from an early age e.g. girls playing football, boys playing netball and mixed teams wherever possible.

We undertake responsibility for making contributors to extra-curricular activities aware of the school's commitment to equality of opportunity (e.g. sports helpers, coach drivers) by providing them with written guidelines drawn from this statement.

We try to ensure that all such non staff members who have contact with children adhere to these guidelines and are DBS checked.

All pupils are encouraged to consider the full range of career opportunities available to them with no discriminatory boundaries placed on them due to their disability, gender or race;

All pupils/staff/parents/carers are given support as appropriate when they experience discrimination. We also recognise that the perpetrators of discrimination are themselves sometimes victims of their personal circumstances and therefore where appropriate remedial work is done to ensure that the actions do not occur again;

Positive role models are used throughout the school to ensure that different groups of pupils can see themselves reflected in the school community;

Emphasis is placed on the value that diversity brings to the school community rather than the challenges.

## **Staffing and Staff Development**

We recognise the need for positive role models and distribution of responsibility among staff. This should include pupil's access to a balance of male and female staff at both key stages.

We undertake to encourage the career development and aspirations of all individuals.
