

To infinity & beyond...

The man on Saturn and the man on Mars have gone missing! Bob (Man on the Moon) needs some help looking after the moon. The children in Wren Class will learn what it takes to be an astronaut and explore space.

Art, Design & Technology

- Graffiti (Keith Haring & Mr Doodle inspired)
- Moving pictures

RE & PSHCE

The children will discuss celebrations and complete a PSHCE unit on family and friends.

Music

With Mrs Warrington, the children will look at the Charanga Music unit called Hands, Feet, Heart.

Computing

With Mrs Warrington, the children will begin to explore different programs on Purple Mash.

PE

Our PE units will be fundamentals and outdoor adventurous activity.

English

We will read Bob on the Moon and Bob's Best Friend.

- Non-chronological reports on the planets in our solar system
- Character descriptions
- Innovate the story of Bob on the Moon.
- Instructions

Magic Spell

We will continue to work on Phase 6 of Letters and Sounds.

- Igh spelt I in CEWs
- J sound spelt g, ge and dge
- S sound spelt c before e, i and y
- Kn and gn at the beginning of words
- Subordination & co-ordination
- Compound verbs
- Time conjunctions

Maths

We will look at place value, time, addition and subtraction.

- Compare objects and numbers.
- Order objects and numbers.
- Count in 2s, 3s, 5s and 10s.
- Telling time to the hour, half hour, quarter past and to and 5 minutes.
- Months, weeks, days and hours.
- Number bonds, related facts and 10 more/less.

Science

We will begin our materials unit.

- Identifying everyday materials
- Changing shape
- Uses of materials
- Properties
- Transparency

History

We will look at key people, events and changes in history. The children will develop their chronological understanding.

- Neil Armstrong
- Tim Peake
