

Weekly Bulletin

September 23rd 2022

Thank you to Parents and Carers, who came to see how we teach phonics and reading at Meldreth Primary. All presentations, including information about our new '[Success for All](#)' phonics resources can be found on our school website in the news section. Don't forget to visit our '[helping your child with reading page](#)' and record your child's reading on [Boom Reader](#).

Since we returned from the summer break, we have been busy updating information for you on our website class pages. Please do visit these to find recent photographs of the children's learning in school, how to assess your child and how to support your child at home. We seek to put as much information as possible on our website. Most general information that parents/carers are looking for can be readily found [on our website](#). At this time of year, we are always sorry to say goodbye to members of staff who are moving to pastures new. We would like to thank **Ali Lee** in our school office all for her dedication and commitment to our school during her time with us. Rest assured, Anne McCrossen will be covering the school office for the foreseeable future.

Don't forget to book a school lunch on Thursday 6th October is the Autumn School Census. The money the school receives from the government to pay for funded schools meals is based on an average of the number of meals taken on the census days in October and January. **It would really help us if your child were to have a school meal on this day.**

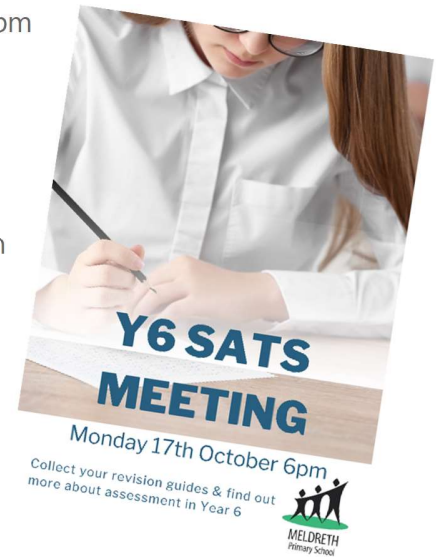

Hawk class parents – please join us for a meeting on Monday 17th October at 6pm where you can collect revision guides for your child and discuss our approach to assessing your child, SATs and how you can support at home.

Illness

If your child is ill, please call the school office on 01763 260432 and select option 1 to leave a message on our 24/7 absence line or email office@meldreth.cambs.sch.uk. Thank you.

The Big Biology Day

This year's Big Biology Day takes place on Saturday 15th October from 10am to 4pm at Hills Road Sixth Form College, for more information about the event visit their Facebook page, <https://www.facebook.com/BigBiologyDay/>

Important Announcements

A polite reminder to be courteous to our neighbours. We have received several complaints about **inconsiderate parking**, parking on school yellow lines, parking that blocks residents drive ways and parking on a resident's drive. Please do not let your child exit your vehicle on the High Street outside school as it is not safe to do so.

Upcoming Events
