

Weekly Bulletin

June 10th 2022

It is the time of year that we all look forward to transitions in school. This week we will be welcoming our new Early Years class parents and expect our new starters visiting soon. This last half term is a long one luckily, as we still have so much to pack in. Do keep an eye on the website and newsletters for dates and events. We try to give as much notice as possible.

As the weather warms, up so does our out of school provision. **Thank you to all those parents who help** our events go smoothly and to those who helped paint and revamp our swimming pool site. Gregory here, is very proud of his hard work to renovate the wind dial from the school pool. Over the past couple of weeks, he has rubbed it down to remove the rust and painted it to carefully smarten it up. He brought it back to school today and he is looking forward to seeing it go back up when the pool officially reopens.

Everyone is welcome to **Sports Day on Friday 1st July**; with a **10:15am start for Puffin, Swift & Wren classes** and a **1.15pm start for Osprey, Kite, Kestrel & Hawk classes**. We look forward to you joining us.

Please remember that we only have permission for you to take photos of your own child, and ask you to respect the privacy of other parents and their children; therefore, photography at our events is on the understanding that photographs that contain images of children other than your own will not be posted on the internet. More information on our photograph policy can be found on [our school website](#).

Look out for details about our **Summer Picnic Lunch** for pupils with their new teachers as part of our meet the teacher day. Who can resist takeaway fish and chips on the field with friends!
