School
Fruit and Vegetable
Scheme

What's it all about?

The School Fruit and Vegetable Scheme (SFVS) is a government programme that entitles every child aged 4-6 in fully state-funded schools to a piece of fruit or vegetable each school day, this equates to approximately 2.3m children in approximately 16,600 schools across England.

The scheme was introduced after the NHS Plan, launched in 2000, included a commitment to implement a national fruit and vegetable scheme by 2004. The School Fruit and Vegetable Scheme is funded by the central Government.

Contacting School

We use My Child at School (MCAS) to communicate with you via the emails you provide us with.

Please keep contact details up to date in case of emergency.

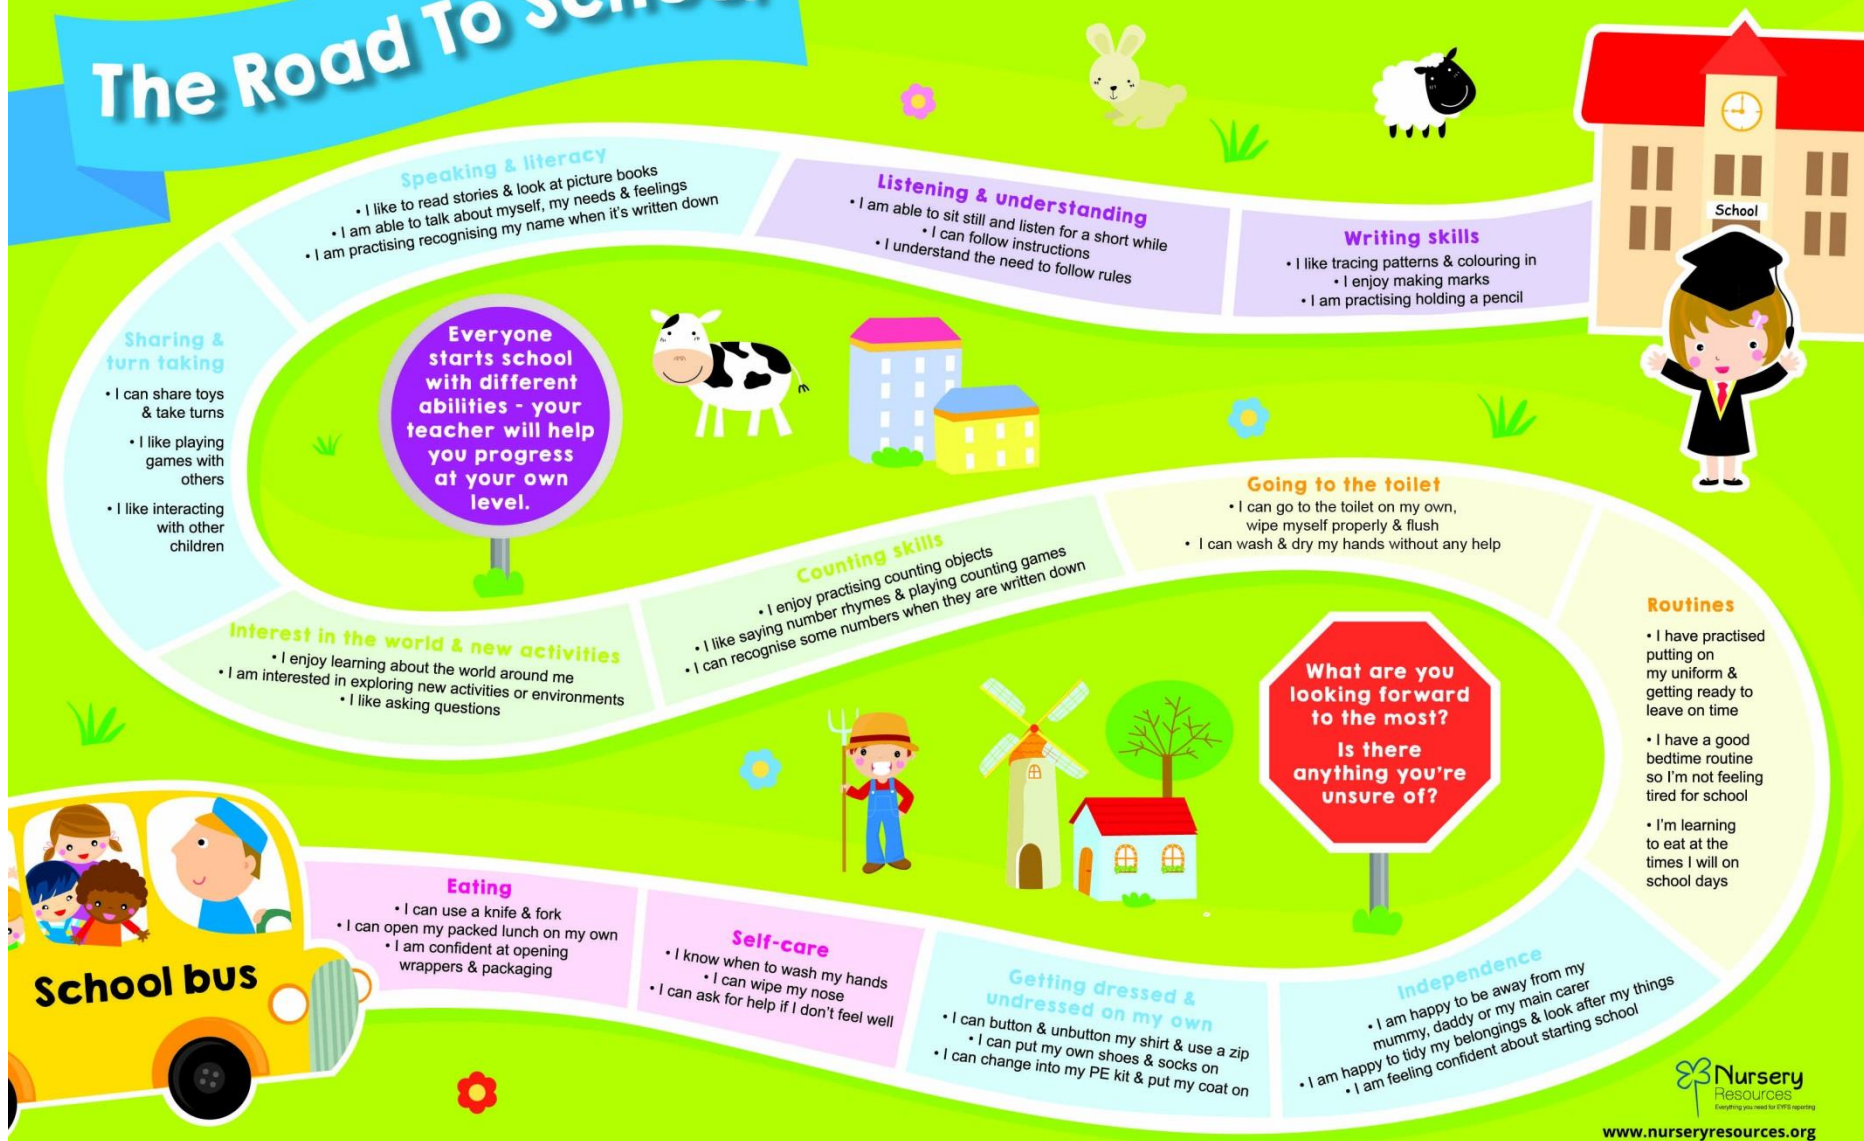

We expect all children in school every day except if they are unwell. Ring school on the first day of absence – If you don't ring us – we will ring you!

Complete and return registration forms if you have not already done so.

Arrivals and Departure

It is very important for your child that they arrive at school on time

- It gets the day off to a good start.*
- It shows your child that you believe school is important and education is to be valued.*
- It helps them to make friends and keep friends.*
- It is also important to be on time when collecting from school, your child will expect you there.*

Any Questions / Concerns

Please speak with us.

We will provide opportunities throughout the year for formal conversations about your child.

We will invite you to parent workshops and classroom visits to help you support your child – starting with a curriculum session once the children are all full-time.
