Miss Hill's task

What is the best book you've ever read? Mine is *Noughts and Crosses* by Malorie Blackman – I read it when I was in Year 6 and just fell in love with how powerful the writing was. Write me a review all about your favourite book and I will try to read all of them over the summer holidays! Remember to send your review to me at nhill@meldreth.education.

Artsy afternoon!

Make a puppet (or two). You could use socks or material for glove puppets, or make cardboard shadow puppets on sticks. Think of the story they could tell: will you do a Viking and a Saxon puppet...animal puppets...Mr Jones and Miss Hill puppets...it's up to you!!

Music

Use the rhythm section in [chrome music](#) to play around with making some interesting rhythms of your own. When you have chosen a rhythm, think of what you can do to change or improve it and then move on to the next rhythm group. When you have finished, go to Songmaker and see if you can use your rhythms to influence a new piece of music, which you can share on the stream!
