Maths

Today in maths your task is to work out the income coming in for your music festival, using the PowerPoint and the sheet on the sheets on the next page.

Catapults!

If you are in school, follow your teacher's instructions for how to make a catapult! If you are at home, you can either design your own catapult using things you find around the house or look on these websites for some ideas:

Complete your work on your google classroom account wherever possible and submit this to Miss Hill for marking. You can also send pictures of work you have done on paper, or photos of activities, to nhill@meldreth.cambs.sch.uk or over your starz account.
