Spelling Task

Choose your trickiest spellings from the years 3 and 4 spelling list. Complete one of the spelling activities from the school website to help with these spellings. These can include any or the sheets such as a wordsearch, scribble spell or word total. To find these activities, follow the link attached. These can be completed on the sheets provided or in your workbooks.

Maths Task

As we come to the end of the school year, we are going to revise each area of the Maths curriculum. Try and complete the assessment attached, then mark it using the answers at the end. Be honest and let me know if there is anything you find tricky, so I can pass it onto Mr Jones for next year.
