

Puffin Signposts 22

The world around you

Thursday Show and Tell
What would you like to share today?

Load a photo/video on tapestry for us to see.
If you're happy for these to be shared with Puffin friends let us know and we can do this!

Fine Motor practise

Fine motor skills- tweezer challenge

Use tweezers or tongs and small objects. Move the objects from one plate to another.

Practise your name writing
Practise curly caterpillar letters

c a d g

Can you write any words using these letters?

PHONICS - Find and reveal

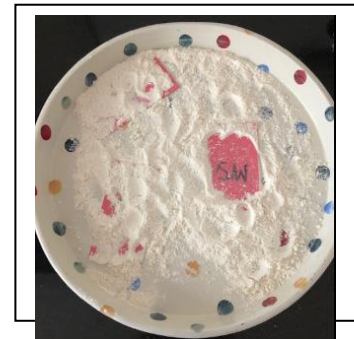

You need: flour/shaving foam/foam soap, cluster cards- tr fl gr gr tr sw cl br

Write some consonant clusters on pieces of paper and put these next to the cushions.

Put these letter cards on a tray and cover with flour. If using shaving foam letters will need to be under clingfilm or something similar! Move the flour around with your finger to find the cluster eg tr, now write a word with this cluster (tree).

Words to write- tree, flag, frog, grass, train, swing, clown, brush

Don't want to get messy? Play <https://www.phonicsbloom.com/uk/game/alien-escape?phase=4> phonics bloom phase 4 alien escape

Maths - Shape characters

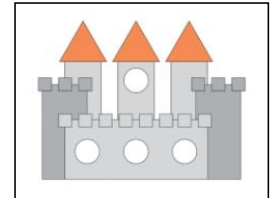

You need- different shape outlines (these could be made by drawing round objects)

Today we are learning about using correct maths terms for 2d shapes- shape names and their properties *straight sides, curved sides, corners. Try to encourage children to use squares, rectangles, triangles, semi-circles, circles, ovals, pentagon and hexagons.*

Make a shape picture of a castle, a dragon, a knight or a princess. Children should be able to do this independently. Afterwards talk about what shapes they have used and the properties of those shapes.

How do you know it's a square? What is special about a circle etc

It doesn't have to be a complicated picture the purpose is to talk about shapes!

Reading Corner

Practise your reading skills today. Read one of the books from school. How do you think your reading is going? What do you think you need more practise at? Get Mummy or Daddy to video you reading today so we can see!

Get Creative

- Turn taking games. Find a game at home and play it with someone. Can you follow the rules? Who wins? Take a picture of the game you played.
- Watch Zog on BBCiplayer
- Make a maze for Zog to travel through. You could use lego or duplo, building blocks, train track pieces or you could draw one.
- The princess in Zog wants to be a doctor. Have fun role playing being a doctor or nurse.

Upload your work to Tapestry or email to us, we would love to see it.
