

# Kite Signposts 35

Miss Whitton and other staff will be uploading more information onto the 'Kite Class' page and the 'our home learning' pages on the school website. Please look on there for any further information or email Miss Whitton if you have any questions.

## ICT Task

Computers need to be given lots of clear instructions, so they know what to do. Instruct someone on how to draw a cat using really careful instructions.

## Maths Task

Complete the activities below and attached on different types of angles.

If you don't have a printer, draw the shapes out or write their names, then colour or write which angles are there.

## Science Task

Watch these two clips about the volume and pitch of sounds and read the information.

<https://www.bbc.co.uk/bitesize/topics/zgffr82/articles/zqtdpbk>

<https://www.bbc.co.uk/bitesize/topics/zgffr82/articles/z3j3jty>

Complete the activity attached.

## Daily Tasks

Try and complete the activities, on the list below, every day. These are important and need to be completed daily.

- Read for at least 15 minutes a day.
- Go over your trickiest Year 3 and 4 spellings.
- Recap your trickiest times tables.

To help you, there is a selection of resources on the 'Our Home Learning' page on the school website under 'Osprey and Kite.'

## Further Tasks

See below a list of other activities you can do to keep you busy. Ask parents before visiting the websites.

- Go on Mathletics
- Go on purple Mash
- Do a Joe Wick's workout
- Listen to David Walliams' stories at 'The World of David Walliams.'
- See which animals are currently livestreaming:

<https://www.insider.com/live-animal-cams-zoos-aquariums-watch-from-home-2020-3>

- Learn some music with Myleene Klass:

<https://www.youtube.com/channel/UCQh2wgJ5tOrixYBn6jFXsXQ>

- Go on some virtual tours:

<https://www.insider.com/museums-theme-parks-offer-virtual-tours-ideal-for-social-distancing-2020-3>

## PE Task

Do a form of physical activity out in the sunshine and take a picture of yourself doing it. Remember to stay safe in the sun.

## Grammar Task

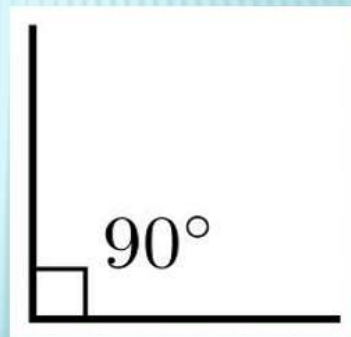

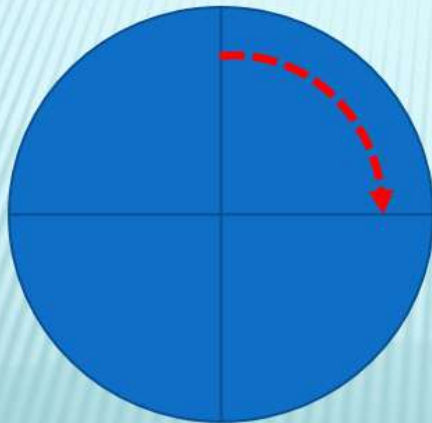

From feedback from your grammar activity last week, I will be sending home a different activity for the areas you all found tricky. Today, read the information attached on subordinate clauses then, complete the activity.

**Upload your work on your Starz account for Miss Whitton to mark.**

## Maths Task

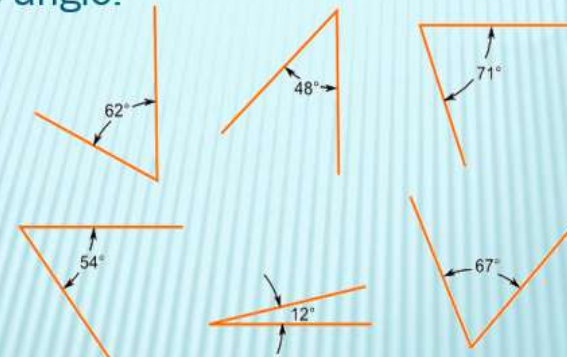

### RIGHT ANGLES

A right angle is a quarter of a full turn. It measures  $90^\circ$

### ACUTE ANGLES

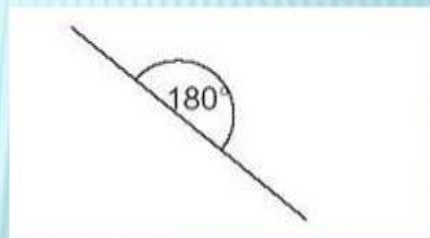

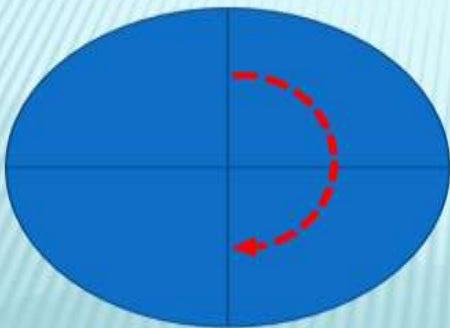

Any angle that is smaller than a right angle is an acute angle.

REMEMBER a right angle is  $90^\circ$

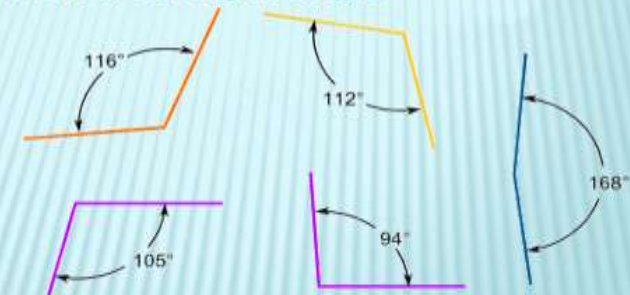

### STRAIGHT ANGLES

A half of a full turn is called a straight angle. It measures  $180^\circ$

### OBTUSE ANGLES

An obtuse angle is bigger than a right angle but smaller than a straight angle

REMEMBER a straight angle is  $180^\circ$

## Baby Acute Angle

This is baby Acute angle. Isn't he cute?! He loves a hug, and always has his arms out for cuddles! He's the smallest of the family, measuring less than 90°.

## Mrs. Right Angle

This is me. I'm Mrs. Right Angle. I always measure 90°, my favourite shape is a square, and whatsmore, no matter what my husband tells you, I'm always right!

## Mr. Obtuse Angle

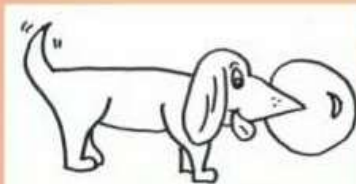

This is Obtuse. He's the husband of the family. He's bigger than Right and Acute. He's always inside, and he always measures between 90° and 180° (depending on how much dinner he's eaten!)

## Reflex Angle

This is our pet dog, Reflex. He's always outside. He's only a pup at the moment so he measures 180°, but he can grow up to 360°! So he's definitely the biggest angle. You'll never see him without that ball in his mouth either, horrid thing!

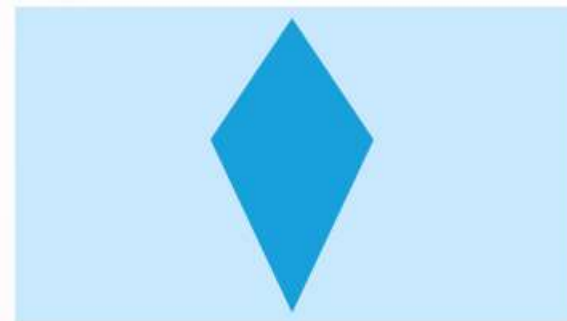

$> 180^\circ$

## Challenges

Which of these statements about a kite is:

- a) never true?
- b) always true?
- c) sometimes true?

A kite has two equal angles.

A kite has four right angles.

A kite has two equal obtuse angles.

## Grammar Task

How many correct sentences can you make by joining the independent and subordinate clauses?  
You can use each clause more than once.

### Subordinate Clause

Before we run out,

Though we are many,

If it doesn't arrive,

Although I don't agree,

Even if we don't come,

Whenever you feel afraid,

Once you have finished,

### Independent Clause

carry on anyway.

come to my house.

go to the shops.

we all work as one.

I won't stop you.

go and get another one.

I'll be there.
