

Kestrel Signposts 61

1. From today until the end of term, we welcome Miss Hill, who will be setting one of your tasks every day to help you get ready for Y6!
2. 20 minute morning read....don't lose that good reading rhythm you must have developed by now!!
3. **Spellings: Spelling test** – then send me your score, or post it on the form in the classroom and find your **NEW** spellings for the week.

Good morning Kestrel Class – I can't wait to become your teacher in Hawk Class in a few months! Over the next two weeks I'll be setting you a task a day to try and get to know you all a bit better – you can upload your work onto the google classroom stream or email it to me: nhill@meldreth.education.

Today I would like you to create an 'All About Me' poster or booklet. Be creative, and make sure to tell me absolutely everything about you!

Maths

Revision time

10 arithmetic and five reasoning questions for you to complete daily as we look back over the Year 5 curriculum in preparation for Year 6.

Find these daily in the Classroom.

Find your NEW SPELLINGS in the Classroom. Find the definitions of all of your words.

You can email me in Chrome: ajones@meldreth.education or ajones@meldreth.cambs.sch.uk

Practise Recorder

Keep practising – but **PLEASE** message me if you're ready for a new tune to learn!!

Rivers!

Look for Meldreth on Google maps. Find the River Mel and trace it NORTH until it joins the River Cam and flows on to the sea (there IS a slight gap on the map after it crosses North End, but pick it up again just above - I've shown it below). Make a list of all the villages and towns that the river flows past on its way to the sea .

Art/D&T afternoon

Build a scene in a box

Find a box; choose a theme; use materials, objects, paints and create a fantastic 'scene in a box'!

More of Erik the Viking available now in the Classroom!
