## ENGLISH

L.O.: to write a diary entry.

When Tomas finds the dragon fruit, he could have just thrown it onto the bonfire – especially when it looked like it was covered in mould! But he didn't and he took it home.

Imagine you are like Tomas and have found a dragon fruit tree. Write a diary entry about the day.

I have attached a diary entry checklist and some questions to help you write your entry.

## QUICK MATHS

Complete the addition pyramids below.

## READING

The Boy Who Grew Dragons by Andy Shepherd. If you have a copy at home please (re)read Chapter 3. If not watch the video below:

## CREATIVE

Today, our creative idea comes from Amelia.

- Make a stencil from a piece of paper or card and use it to create a picture.

Other ideas:

- Use playdough or modelling clay to make your own dragon model.
- Create a toilet roll dragon (see picture)

## MATHS – L.O.: to measure capacity and volume using ml.

Let's look at the standard units – millilitres, written as ml. We will work practically to measure various volumes.

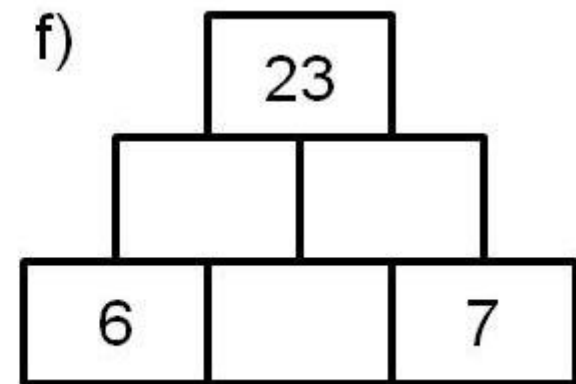

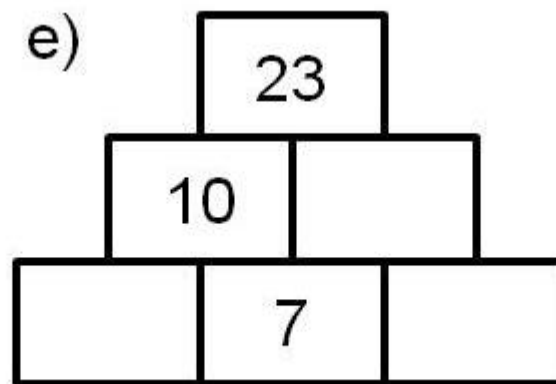

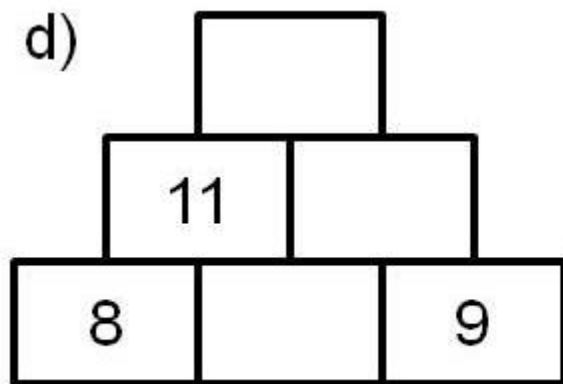

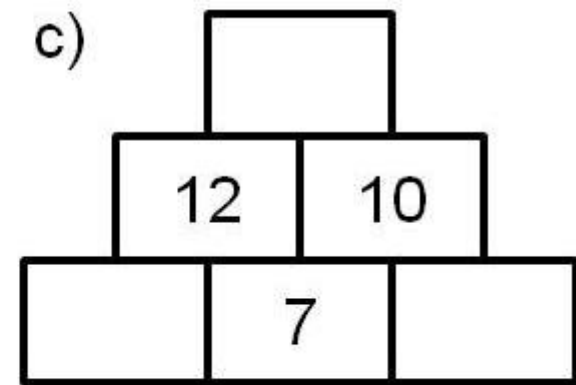

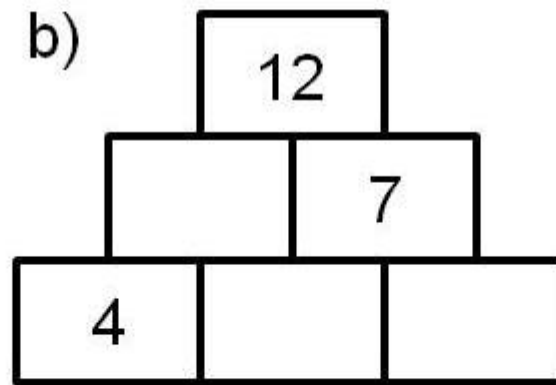

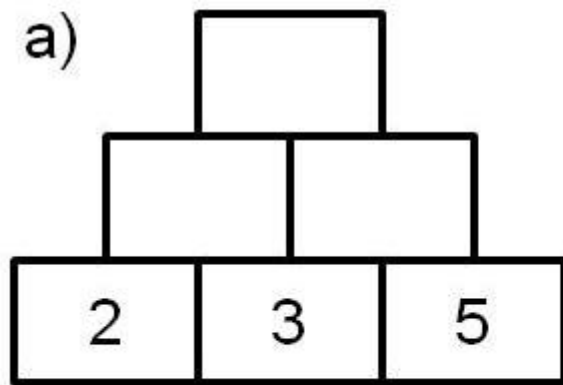

Try to find a jug with a scale in ml. Find various containers of different sizes. Transfer water from the containers to the jug and read the scale. Compare the volume of the containers using the language more than, less than. If you would like to, you can use the table below to record your findings.

If you do not have the equipment to compare volumes:

# QUICK MATHS

For each of these number pyramids the value of each cell is the sum of the two beneath. Calculate the missing values in each pyramid.

# DIARY RESOURCES

## Diary Writing Checklist

Did I...	✓ or X
include the date?	
write in the first person?	
talk about where events happened?	
write about the most important events in order?	
describe my feelings?	
use time connectives?	

Questions to consider when writing your diary entry.

- Where did you find the dragon fruit tree?
- Who were you with?
- What did you do?
- Where did you put the fruit when you got home, and what happened when the dragon first appeared?
- What did it look like? And what did it do first?
- Think about what it felt like when you saw the dragon.

## Spellings – Scrambles

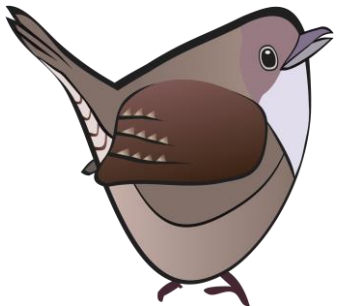

Wren has scrambled your spelling words. How quickly can you unscramble each one?
