

Puffin Signposts 2 1

The world around you

Knight's armour is made of metal. What metal things are in your house? Maybe find the largest metal thing, the smallest metal thing, something interesting made of metal or use a magnet and find magnetic things. Is there anything that is metal but not magnetic?

All about St. George's Day

Zog

After listening to the story of Zog talk about what happened in the story.

Now can you make a story map for the story (a picture and a sentence) Think about the beginning, the middle and the end.

beginning

middle

End

Remember- say the word/sentence, sound it out, use your alphabet mat and write letter shapes carefully

PHONICS - Build the word

You need:- a kitchen roll tube or toilet roll. Cut the tube into sections. On each Section write the following letters- b, r, igh, t, f, l, s, ar.

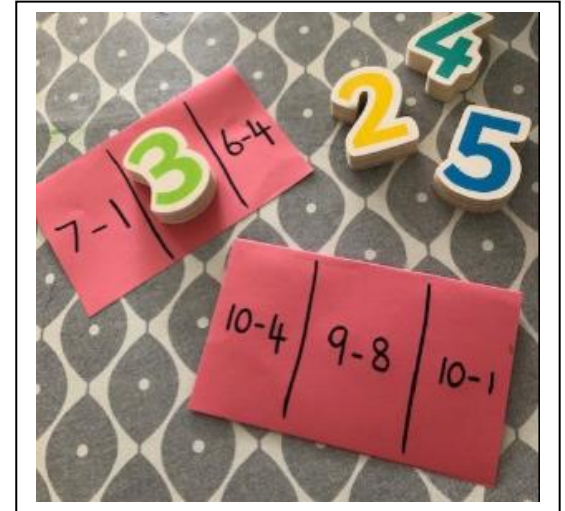

Use the tube sections to build some words (fight, flight, star, bright etc)

The game can be played just using paper pieces. It can be played with any words that use consonant clusters we have been learning.

Maths subtraction bingo

You need: bingo boards with subtraction sentences- eg 6-2, 8-5, set of numbers 1-10
Pick a number card, which subtraction sentence can you cover?

Reading Corner

Listen to the story
Zog on Tapestry.

Have some quiet
reading time today.

Get Creative some ideas

- Wednesday Music Time- Listen to I feel Good by James Brown <https://www.youtube.com/watch?v=B1wOK9yGUYM> Do you like it? What can you hear when you listen to the music? Try and clap, tap, play an instrument along with it. You could-
 - Make a dragon or a knight. Use a paper plate, playdough, something to make a puppet, foil for shiny armour (ideas below) or draw a picture of Zog characters- pencils, pens, chalk
 - Make a puppet show with Royal characters

Upload your work to Tapestry or email to us, we would love to see it
