The world around you The Circus!

What do you know about the circus? Look at the pictures attached and talk about what you might see if you went to the circus or watch Miss Haigh reading a circus story on Tapestry.

Weekend News

What did you do at the weekend? Write some sentences about it. If you can't remember what you did, write down what you wish you had done.

Remember to 'think it, say it, write it'.

PHONICS -

Read these words: train, bench, street lamp, flowers, junk, bricks. Can you find any of these items in your house?

Play 'Stormy Day Puzzle' (see below). You need a dice and counters. Roll the dice and move that number of spaces. Read the word. If you land on a storm cloud go back to the start.

Or Play Dragon's Den <https://new.phonicsplay.co.uk/resources/phase/4/dragons-den>

Maths - Counting in 10s

Practise counting in 10s together. You might like to use different voices and leap/jump when you get to 100.

What do you notice about the numbers when you count in 10s?

Coin recognition

Put 1p, 2p, 5p, 10p, 20p, 50p, £1 and £2 in a bag. Take it in turns to take a coin each. Whoever picks the coin with the biggest value wins a point. Talk about the coins and how many pennies they are worth.

Reading Corner

Share a book with an adult. Talk about the story together. What was your favourite part of the story and why? Watch Miss Haigh reading *'I see a Circus, you see'*

Get Creative some ideas

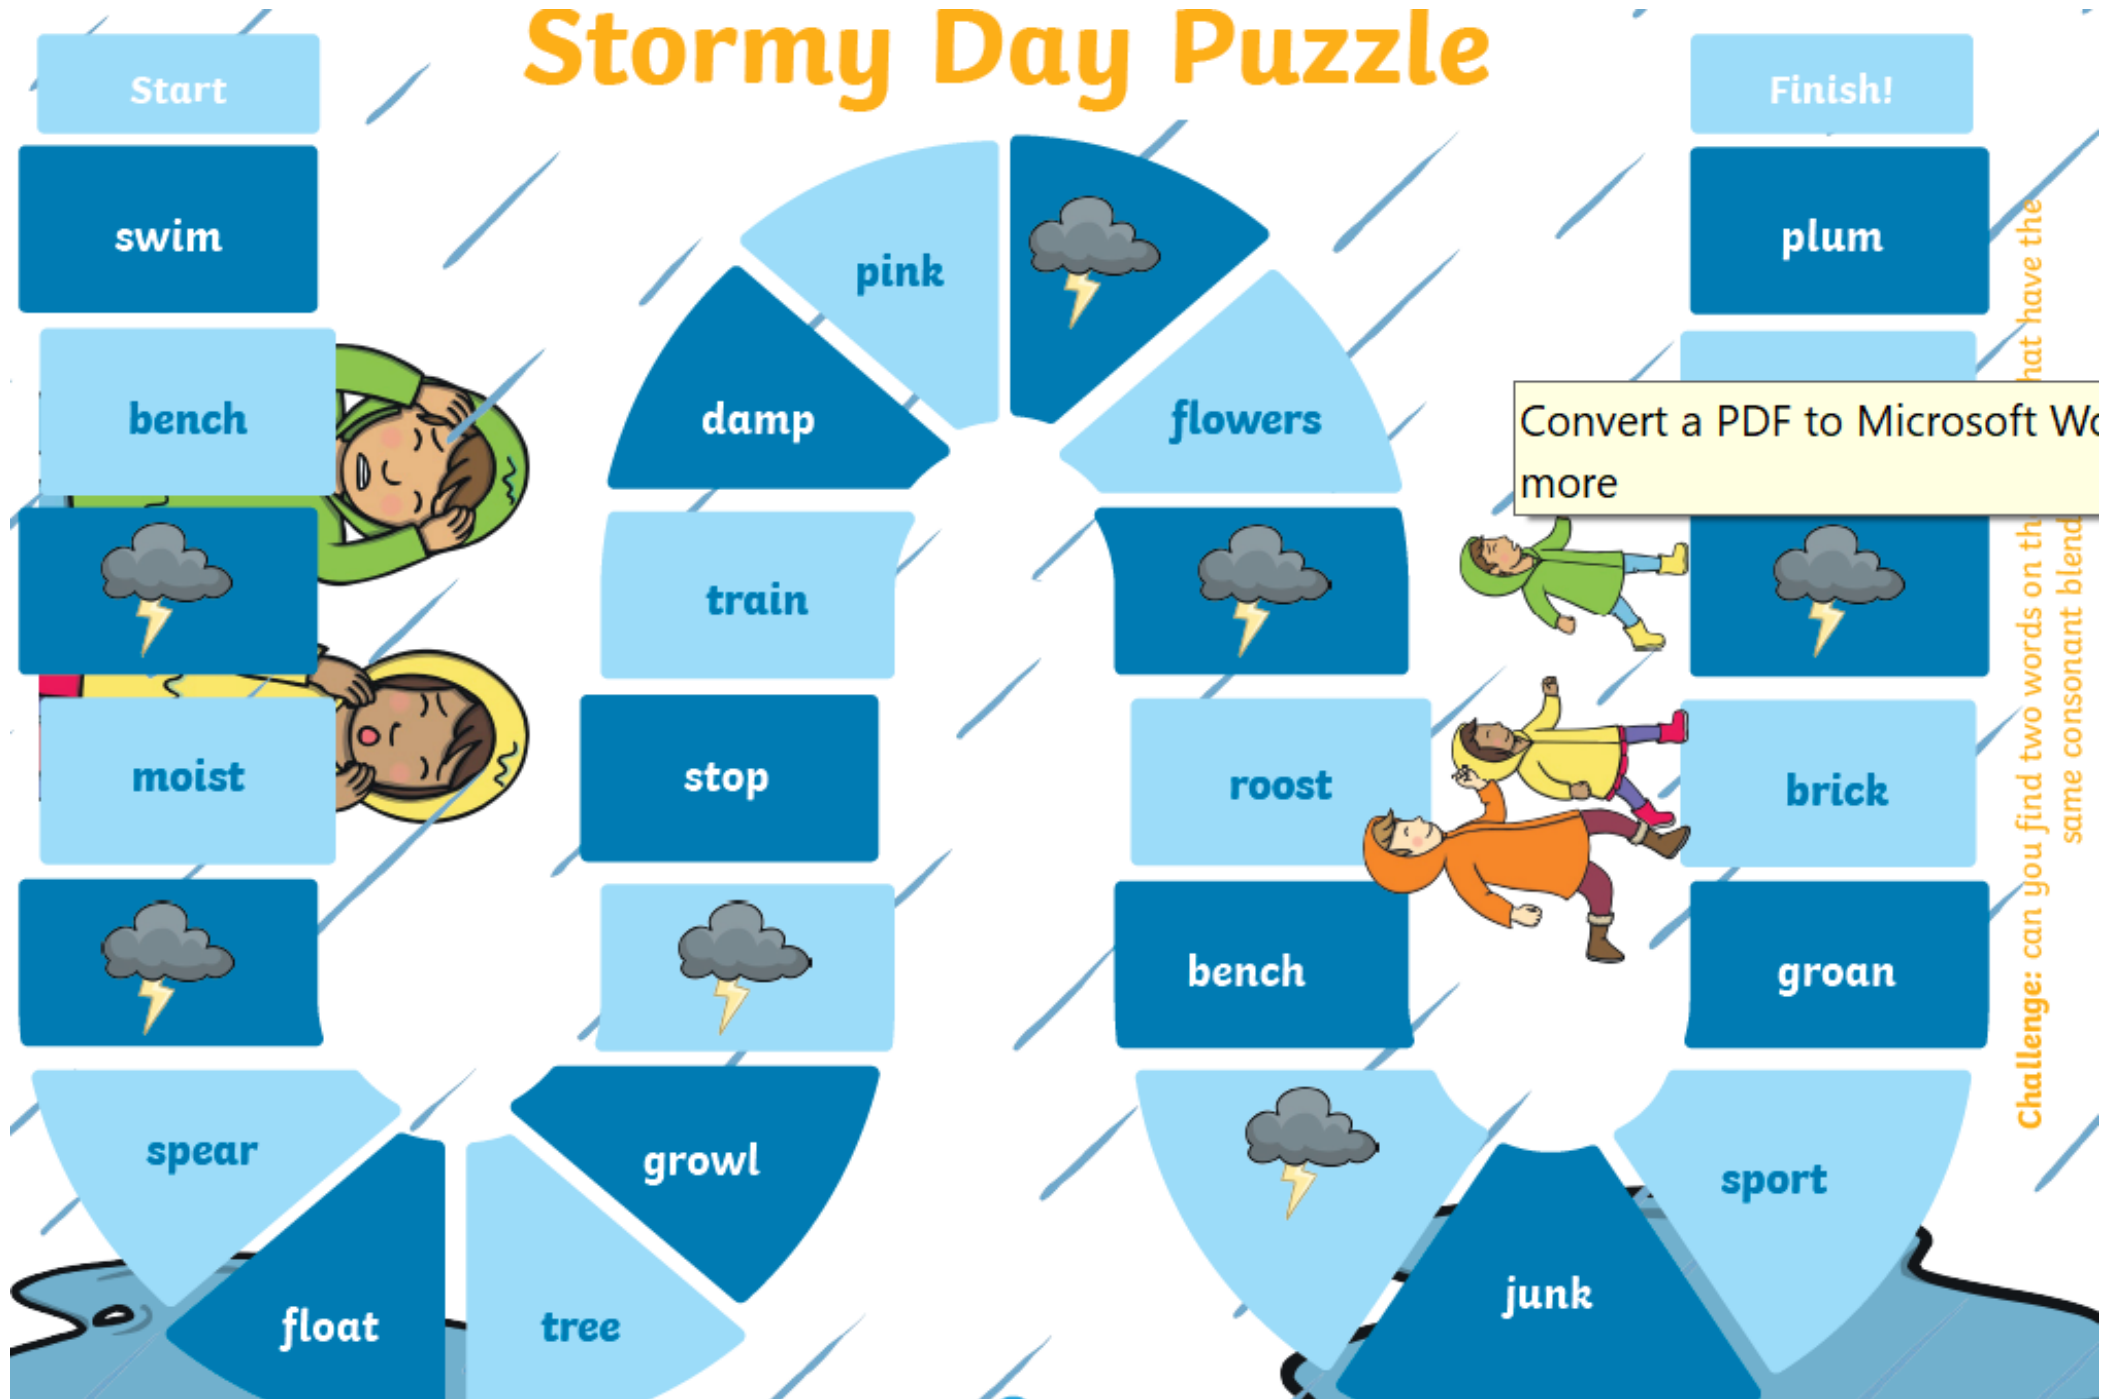

Practise your circus skills. Can you walk along a tightrope? Can you juggle?

What would you look like if you were a clown? You could draw clown features on a photograph of yourself (Ask mummy or daddy's permission first). Or make a clown picture.

PE day - Do some yoga <https://www.cosmickids.com/> or 5-a-day.tv or <https://www.jumpstartjonny.co.uk/home>

Upload your work to Tapestry or email it to us. We would love to see it
