

# Weekly Bulletin

March 27<sup>th</sup> 2020

Our school motto of **'Learning Together for Life'** has never been as true as it has this first week of a new home learning experience. We hope that you have continued to enjoy your daily signposts for home learning and will take part in our community 'Bear Hunt'. Keep spotting on your daily exercise journeys as new Bears appear every day and in different windows! We look forward to hearing from you and seeing more photos of your home learning. Please keep them coming in...

Please can we encourage families to **make an application for Free School Meals** if you believe you may be entitled to this, even if your child is in Puffin, Swift and Wren class and would usually have a free meal. Check your eligibility and apply [here](#).

Please can I award **Mrs Willoughby** along with all our **Key Worker Staff and Parents** our Headteacher's Award this week, for getting us all online seamlessly (or so it appeared to us).

**From the team at Meldreth Primary School...we wish you well!**
