

# Swift Signpost Week 7

## Writing/Topic

This week we are continuing to look at our book *The Boy and the Bear*. Try some or all of the following activities:

1. Make a paper boat using the instructions from this [link](#). Write a message to Bear, the boy or your best friend on the side of it. What would you say?
2. Sentence scramblers - Re-order the jumbled words to make complete sentences using the sentence scrambler activity sheet attached. Use the words with capital letters and full stops behind them to help you find the first and last word of the sentence.
3. Look at the picture of the bears at the bottom of the signpost. Write sentences about what you can see happening in the picture.  
or
4. Write a story about what the family of bears get up to

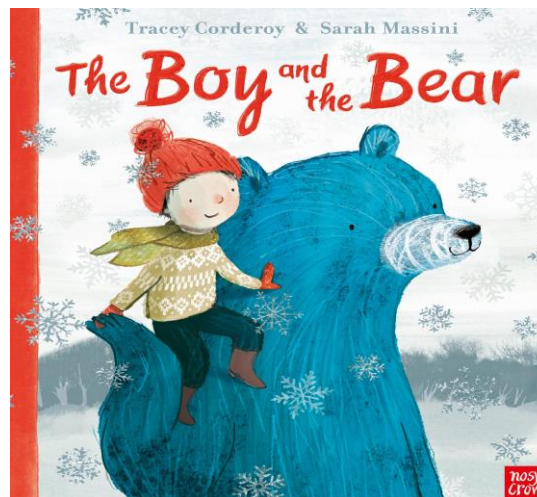

## Handwriting

Practice writing these curly caterpillar letters cursively.

Make sure that your letters are not floating above the line.

Click [here](#) to list to the story on Swift Class Home Learning

## Reading Corner

Read every day with your adult. Try some of these activities after you have read.

1. Draw a picture of your favourite part of the story and describe what you have drawn.
2. Find 5 interesting words in the text. Find out what each of those words means.
3. Make a list of any adjectives (describing words) you find in the text.
4. Draw a picture of your favourite character.
5. Think of three questions you would like to ask your favourite character in your book.

## PHONICS

So far, we have looked at the split digraphs a-e, o-e, u-e and i-e. This week we are going to be learning about e-e. The e-e split digraph makes the sound 'ee' like the words even and theme.

Practice reading and writing these words using the following online tools and select appropriate phase 5 games:

- Visit [www.phonicsplay.co.uk](http://www.phonicsplay.co.uk) and use our school login **User: Meldreth Password: Green**
- Or complete activities from the attached e-e grapheme work book

## MATHS – addition within and up to 10

This week we are going to continue looking at addition. Complete any of the Maths addition tasks which accompany this signpost or try some Maths games using the links right. Use a number line (see below) and/or 10 objects like counters or lego bricks to support you adding numbers together.

Maths addition games to try:

- Funny Fingers - <https://www.ictgames.com/mobilePage/funnyFingers/>
- Robot Addition - <https://www.topmarks.co.uk/addition/robot-addition>
- Addition to 10 - <https://www.topmarks.co.uk/addition/addition-to-10>
- Mental Maths train - <https://www.topmarks.co.uk/maths-games/mental-maths-train>

**A little bit extra...** try one or some of these activities

- Draw or paint a picture of signs of autumn that you can see outside your house
- Write a weather diary for each day you are at home. What do you notice about the weather?
- Visit [Purple Mash](https://www.purplemash.com/) and choose an art activity to complete or play a game
- Use lego or building bricks to make a game, a picture of yourself or build a tree house

What are these bears up to?
