MATHS CHALLENGE

Today we are going to play Number Bonds dominoes. Choose from either bonds to 20 or bonds to 100. See attached sheet and follow the instructions at the top.

6	8	2	7	3	5
5	4	6	1	9	0
10	3	7	8	2	9
1	0	10	9	1	4
6	5	5	2	8	1
9	6	4	7	3	5
5	10	0	5	5	4

Religious Education

Today we are going to learn more about the Sikh religion and Guru Nanak.

1. Do you think we need money to make us happy? Share your ideas with an adult.
2. Read the story '[The Rich Man and the Needle](#)' and watch the [video](#) from BBC online learning.
3. Talk to an adult about what the story is trying to teach us. It shows us that the most important things in life are not gold and riches but leading a good life and helping others.
4. How do you think Duni Chand could use his wealth to help others?

Activity - Draw a picture of one of your ideas and write a sentence.

PHONICS - Today we are continuing to focus on 'aw'.

You need - a kitchen roll tube or toilet roll. Cut the tube into sections. On each section, write the following letters and digraph - s, aw, t, r, l, n, d, r and c. Use the tube sections to build words e.g. **crawl**

How many 'aw' word towers can you make? Are there other letters you could add?

Music - Visit the Cambs music site [Charanga](#) (logins have been emailed to parents)

You may recognise Charanga from when we use it in school. Ask your adult to click on Your Imagination for Year 1.

Activities for Your Imagination

1. Select warm up games and do challenge 1 (you will need space to move). There will be instructions for you to follow - your adult might need to help.
2. Listen to and appraise Pure Imagination. This is from one of Miss Jackson's favourite films as a child. If you want to see this part of the film click [Willy Wonka and the Chocolate Factory](#) (ps it involves sweets and chocolate!).
3. Select learn to sing the song Your Imagination. Follow the words and join in.

Plan Do Review - Purple Mash

Visit <https://www.purplemash.com/sch/meldreth-pri>

This term we are looking at instructions and creating simple algorithms. Click on:

- The computing icon
- 2go icon (it has a bee with arrows on it).
- Launch app.
- Click on challenges icon
- Choose where you would like to start

Remember that the tasks get more complicated as you go on. If you need help, click on the video icon top right (green arrow) and open videos. Click on the challenges link and a video will explain what you have to do for each challenge.

Reading Corner

Choose a book from home. Read it with your adult but only read up to a point. Can you predict what is going to happen next? Explain why you think that might happen.

A little bit extra - Time for some geography! Visit BBC bitesize and play [Pirate Bunnies World Adventure](#). Select a game to play to help Captain Carrot on his journey and earn yourself some treasure.

Show what you know or find out what you can about each of the headings. Try to do some work on each of the tasks but do try **and** do MORE about the one you like the sound of most. **Ask a parent to email your work for Miss Jackson to mark.** cjackson@meldreth.cambs.sch.uk
