

# Weekly Bulletin

July 8<sup>th</sup> 2022

Your child's **end of year reports** are now available for you to view on your MCAS accounts. This is an important opportunity for you to share in your child's achievements and celebrate their successes. We hope that you spend time with your children congratulating them on their achievements over the past school year.

## COVID concerns

Recently we are seeing some increase in cases due to the spread of the latest variant of COVID. The widely known symptoms of **high temperature, persistent cough and loss of taste and smell** still signal a COVID infection. Please continue to be alert.

## Are you breaking the law picking children up from school?

Everyone knows about not using your mobile phone when driving, but drivers must not stop to set down and pick up passengers **on school entrance markings and single yellow lines around school during the times indicated on yellow signs**. This law is in place to protect children's safety – particularly our older children and cyclists who come to school on their own. **Please take care when parking and consider our neighbours.**

## The Big Friendly Read

This year's Summer Reading Challenge is '**Gadgeteers**' and your child will be sure to find plenty of inspiration for this year's Summer Reading Challenge with fun science and innovation themed recommendations.

Taking part in the reading challenge is simple – when your summer holidays start, you can sign up at your local library. Read any six library books (or more!) over the holidays to collect special rewards and complete the Challenge and it's FREE to take part! Keep an eye on their [blog](#) for all the latest Summer Reading Challenge news
