Kite Signposts 20

Miss Whitton and other staff will be uploading more information onto the 'Kite Class' page and the 'our home learning' pages on the school website. Please look on there for any further information or email Miss Whitton if you have any questions.

Maths Task

Look at the Maths support below for dividing a number by 10. Use your understanding of **multiplying** a number by 10 to support with your understanding of **dividing**. Remember you **DON'T** just add a 0 and you are **NOT** moving the decimal place. Remember your **place value.**

Writing/History Task

43AD: The Third Attempt
Emperor Claudius was now in charge and he was determined to make Britain part of the Roman Empire. He sent General Aulus Plautius and four legions of soldiers, plus about the same number of auxiliary soldiers. They were split into three divisions. Many Celtic tribes realised how strong this Roman army was and made deals to keep the peace. They agreed to obey Roman laws and pay taxes. In return, they were allowed to keep their kingdoms.

Look up some information on the Celts and make a poster about who they were.

There are some web links below to help.

Daily Tasks

Try and complete the activities, on the list below, every day. These are important and need to be completed daily.

- Read for at least 15 minutes a day.
