The world around you

So many special days in May! Today is International Family Day. Talk to the people in your family and find out something special about each person. You could make a family picture or a family tree

Phonics - Brain words

You need: stairs!, or spread word cards along the floor
Write different word cards on pieces of paper and put these on different steps
Use a beanbag or rolled up socks/paper and see which words you can land on.
You could say the word to your child and they have to aim for that.
Use a mixture of words we've used this week with consonant clusters.

Circus day!

Set up your own circus today. You will need to make a poster to advertise it, tickets for customers, signs, maybe a programme.

Use your writing skills to bring the circus to life.

Remember- say the word/sentence, sound it out, use your alphabet mat and write letter shapes carefully

Maths last day on money today

Set up a circus snack or drink shop. Label things between 1p-20p, include totals that need mixed coins, or several coins to make eg 3p, 7p.

extra challenge- use 5s numbers on cards (5,10,15,20 etc).

Reading Corner

Listen to Puffin storytellers- stories on Tapestry/ website
-Who are the characters?
-Which character do you like best?
-What happens in the story?

Get Creative some ideas

P.E day- create a clown obstacle course- have somewhere that needs you to balance, somewhere you have to wiggle, somewhere you have to jump, somewhere that needs a swing (it might be you swinging something round it doesn't have to be a swing!). I bet you have your own ideas too.

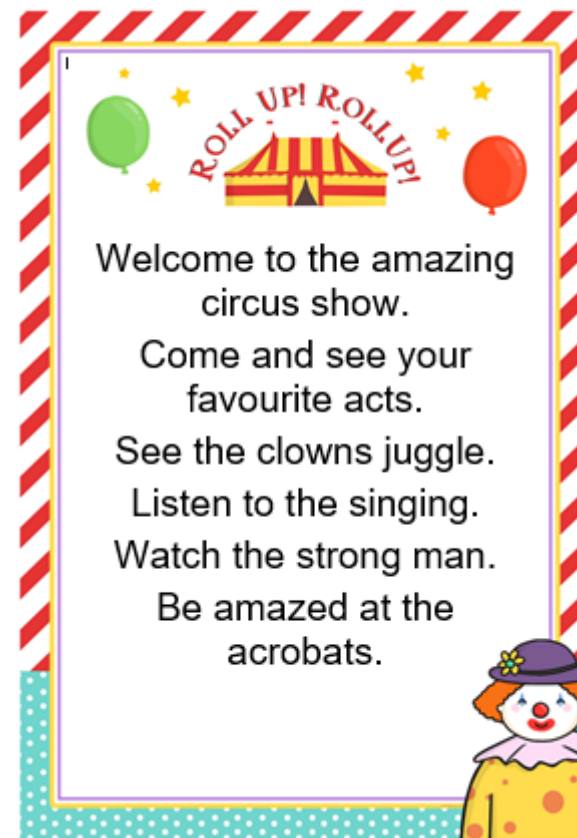

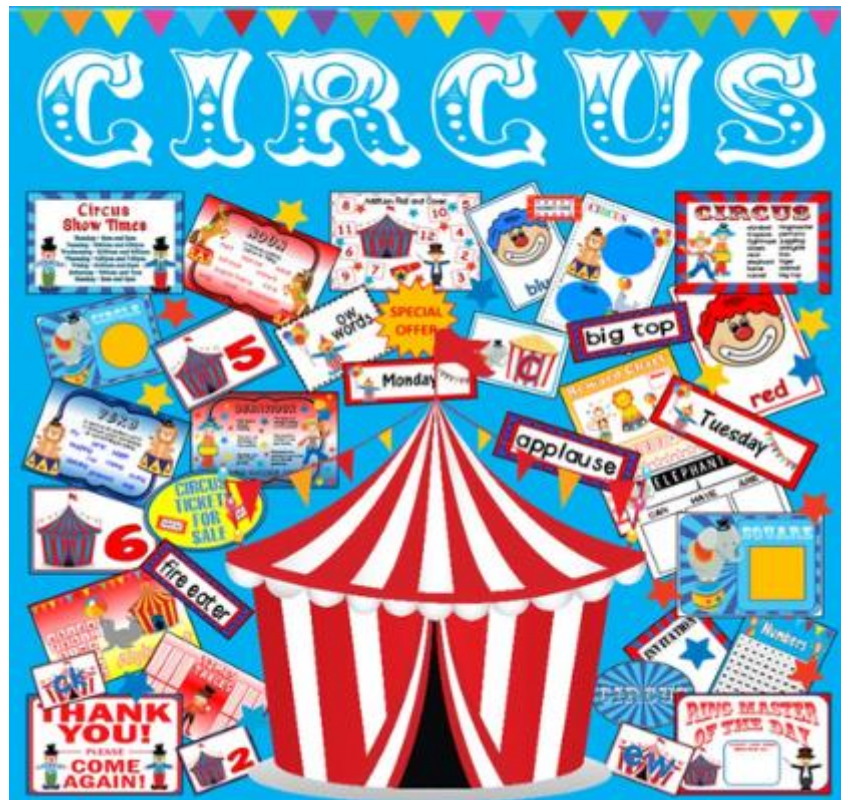

Roll up roll up for a Circus day.

Dress up as someone from the circus- a clown, a juggler, the ringmaster, an acrobat. Put on a show for other people, sing a song, dance, and show off your tricks.

You could also build a circus if you like using lego, junk modelling or other building things.

Upload your work to Tapestry or email to us, we would love to see it.
