## The world around you

Today is National Numeracy Day. How many places in your house can you find numbers? Take a photo or draw a picture, of places you find them.

Take part in the super sock challenge- count your socks.

Now see how many socks you can get on one foot! Challenge your family too.

## Roll up Roll up

Look at the circus picture, what can you see? What colours, patterns, people, objects. Have a think what you might hear too. Write a few sentences about this. You could draw a circus and label it but I would really like sentences today if you can.

Remember- say the word/sentence, sound it out, use your alphabet mat and write letter shapes carefully

## PHONICS - Clem the Clown

You need:- Clem Clown sheet with balloons (below), or write words on pieces of paper or even balloons!

Help Clem the clown find the real words, which consonant cluster are in the words today?

## Maths Money, money, money

You need: coins, cake tin or paper cases

Write a total to be made in each cake section (this could be coin values eg 1,2,5,10 etc) or hopefully the children are ready to move to making totals with coins (so 3p made with a 2p +1p, or 1p,1p,1p)

1. Find the write coins to match the total in the tin/paper case

*Remembering the value of a coin is tricky.*

*It helps to put dots on the coin to show its value*
