Spooky Stories

Today in English your task is to write the spookiest story possible in 300-500 words. If you are in school, Hawk 1 need to send their stories to Miss McGinty and Hawk 2 need to send their stories to Mr Jones. Your teachers will then anonymously read the stories out loud and each class can vote for the spookiest story! (If you are at home, share your story with both teachers if you want it to be read aloud at school or send to Miss Hill if you'd rather it wasn't read at school).

PE

If you are in school today, Tom Roden is coming in to see you all this morning. If you are at home, your task is to spend at least 30 minutes doing something active which gets your heart rate up!

Maths

Today in maths your task is to work out the costing for your music festival, using the PowerPoint and the sheets on the next page.

PSHE: Moving Up

If you are in school today, you will be joining both classes together for a discussion and some activities about secondary school. If you are at home, your task is to write down all the questions, worries and excitement you have about secondary school. Remember to share it with Miss Hill if you are at home!

Complete your work on your google classroom account wherever possible and submit this to Miss Hill for marking. You can also send pictures of work you have done on paper, or photos of activities, to nhill@meldreth.cambs.sch.uk or over your starz account.

Summer Music Festival Costs
